COMMUNICATIONS

All questions related to this Tender, or for clarification on completing the Bid Submission Form, are to be directed in writing to:

Single Point of Contact:

Buyer Gerald Lalonde

Tel: 613-446-6022, Ext. Ext 2206

E-mail: Glalonde@clarence-rockland.com

All questions relating to this Request for Tender or any clarification with respect to this Tender should be made in writing **no later than 7 calendar days prior to closing date**. We cannot guarantee a response to any questions received after this deadline. The City reserves the right to extend the closing deadline if required.

Written answers or clarifications to issues of substance shall be shared with all Bidders and will be issued as part of the Tender Documents in the form of an Addendum. Replies in any other manner will not be legally binding. All Addenda must be acknowledged on the Bid Submission Form.

No verbal communications shall modify the terms, conditions, or specifications, unless they are confirmed in writing to all potential bidders by the City of Clarence-Rockland Procurement Services in the form of an addendum.

Should a Bidder find omissions from or discrepancies in any of the RFT documents, unnecessary restrictions in the specifications, or should he/she be in doubt as to the meaning of any part of this document, he/she should notify the contact named above in writing prior to submitting a bid. An addendum will be issued if it is determined that a correction, explanation or interpretation is necessary or desirable.

The Tender and addenda will also be posted on the City of Clarence-Rockland Web site at www.Clarence-Rockland.com and Merx.

If Bidders fail to report any discrepancies, errors or omissions to the Buyer as specified, Bidders will be deemed to have accepted all such specifications as being accurate, and the City will not approve any alternatives or extra charges subsequent to acceptance of the bid. Therefore, Bidders are encouraged to review the document in full before the deadline for questions.

SECTION 1.0

INSTRUCTIONS TO BIDDERS

1. **ELIGIBILITY TO PARTICIPATE**

Open competition.

2. **SUBMISSION OF BID**

Sealed Bids, one original and one copy, in a clearly marked envelope which includes the prescribed form(s) as instructed are to be delivered to City Hall, 1560 rue Laurier, Client Service Center, Rockland, Ontario, no later than 2:00 p.m. Local Time on 21-JUN-2017.

Bids received after the deadline, whether delivered personally, or if mailed, regardless of postal markings, will not be opened and returned to the bidder. Fax or electronic (e-mail) submissions will not be accepted.

3. **PROPOSAL TIMELINE**

Event	Anticipated Date
Request for Tender issued	31-MAY-2017
Last Day for submitting e-mail inquiries	12-JUN-2017
Proposals due from firms	21-JUN-2017 2:00
Evaluations	JUN/JUL 2017

4. **GENERAL DESCRIPTION**

The Corporation of the City of Clarence-Rockland is requesting bid submissions to include all labour, equipment and materials for the supply and placement of Hot Mix Asphalt as described in this tender document.

5. **LATE BIDS**

Only Bids that have been time stamped by City staff and received at the Client Service Center will be considered. It is the responsibility of the Bidder to ensure that their Bids arrive on time at the Client Service Center. The City of Clarence-Rockland takes NO responsibility for Bids submitted via third parties and will NOT guarantee placement in the Bid Deposit box by closing time.

6. **OPENING OF BIDS**

Bids will be opened publicly by Procurement Services staff; the names and all Bid totals will be posted to the City Web Site and Merx once the project has been awarded.

Time 2:00 PM on 21-Jun-2017

Site: City Hall

SECTION 1.0

INSTRUCTIONS TO BIDDERS

7. WITHDRAWAL OF BIDS

A Bidder may withdraw their Bid by written notice on business letterhead, clearly identifying the project, signed by an authorized individual and received by Procurement Services UNTIL 1:59 PM Local Time on the closing day. Faxes will be accepted (613) 446-1497 with the receiving time at Procurement Services being the "Official" time of receipt. Procurement Services takes NO responsibility for fax transmittals NOT being received on time, regardless of when they were transmitted.

If more than one (1) bid is received under the same name for the same contract and no Bid Withdrawal Form has been received, the Bid contained in the Bid Envelope bearing the latest date and time shall be considered the intended Bid. The first Bid received shall be considered withdrawn and returned to the Bidder.

8. ADDENDUM / ADDENDA

All clarifications, and/or modifications to the bid documents will be made by written addendum. All such modifications shall be incorporated into the bid documents and shall be considered when determining the base bid. Replies to questions and modifications in any other manner will not be legally binding and the City of Clarence-Rockland will assume no responsibility for oral instruction or suggestion provided by any City representative or consultant.

N.B. It is the responsibility of the vendor to check the City Web Site and Merx Web sites for any possible addenda.

Bidders will be allowed the opportunity to acknowledge Addendum / Addenda 48 hours after the closing date and time.

Bidders will **not** be allowed to alter their submission in any way after the closing date and time has elapsed.

Bidders should acknowledge receipt of all Addendum / Addenda by inserting in the space provided on the Bid Submission Form, the numbers of all Addendum / Addenda received during the bidding period.

9. REJECTION OF BIDS

The City of Clarence-Rockland reserves the right to reject any, or any part of, or all Bids, or cancel this Bid at any time for any reason whatsoever and also reserves the right to award the contract to other than the lowest compliant bidder.

The City of Clarence-Rockland will not consider Bids where the Bid Submission Form is improperly or incompletely filled out. The Bid Submission Form is supplied by the City of Clarence-Rockland. Bids submitted to the Client Service Center, City Hall, Clarence-Rockland, Ontario, after the designated closing time on the due date will not be considered, regardless of the circumstances which resulted in the late arrival to the Bid Deposit Box, and regardless of any postal cancellation date that may be imprinted on them.

SECTION 1.0

INSTRUCTIONS TO BIDDERS

The Bid Submission Form must bear a signature of an authorized person(s) of the bidder.

10. BID IRREGULARITIES

All bids received by the City of Clarence-Rockland are governed by its Procurement By-law, which in part provides staff with guidance in determining the validity of all Bids.

Bid irregularities will be dealt with in accordance with the following table:

<u>Irregularity</u>	<u>Consequence</u>
<ul style="list-style-type: none"> Late Bids 	<ul style="list-style-type: none"> Rejection
<ul style="list-style-type: none"> Bid security not provided or not in the form or amount that is specified 	<ul style="list-style-type: none"> Rejection
<ul style="list-style-type: none"> Bid security not signed by the Bidder or the bonding company 	<ul style="list-style-type: none"> Rejection
<ul style="list-style-type: none"> Bids not completed in ink 	<ul style="list-style-type: none"> Rejection
<ul style="list-style-type: none"> Signature missing from signature page 	<ul style="list-style-type: none"> Rejection
<ul style="list-style-type: none"> Qualified Bids (Bids qualified or restricted by an attached or added statement) 	<ul style="list-style-type: none"> Rejection, unless allowed for in the Bid Solicitation
<ul style="list-style-type: none"> Bids received on documents other than those provided in the request 	<ul style="list-style-type: none"> Rejection, unless allowed for in the Bid
<ul style="list-style-type: none"> Part Bid (all items not Bid) 	<ul style="list-style-type: none"> Rejection, unless allowed for in the Bid
<ul style="list-style-type: none"> Failure to attend a mandatory meeting 	<ul style="list-style-type: none"> Rejection
<ul style="list-style-type: none"> Bids containing errors in extensions, additions, or computations 	<ul style="list-style-type: none"> The City has the right to correct mathematical errors
<ul style="list-style-type: none"> The City of Clarence-Rockland will not accept Bids containing changes, erasures, overwriting, whiteouts, cross outs, or strikeouts, which are not initialed by the Bidder 	<ul style="list-style-type: none"> The Bidder has 48 hours after the close of the Bid to initial these pages, but will not be allowed to make any changes.
<ul style="list-style-type: none"> Bids which suggest that the Bidder has made a major mistake in calculations or the Bid 	<ul style="list-style-type: none"> Decision will be made on a case by case basis and in consultation with the Manager of Procurement Services and the Legal Department
<ul style="list-style-type: none"> Addenda not acknowledged 	<ul style="list-style-type: none"> The Bidder has 48 hours to acknowledge Addenda, but is not allowed to make any changes to their Bids

11. BIDS IRREVOCABLE

Bid submissions are an offer to the City, are irrevocable for a period of one hundred and twenty (120) calendar days, and may not be withdrawn by the Bidder after closing. Bids are open for acceptance by the City for a period of one hundred (120) calendar days.

SECTION 1.0

INSTRUCTIONS TO BIDDERS

12. **BID SUBMISSION FORM**

The unaltered Bid Submission Form must be completed in full, bearing a signature of an authorized person(s), and submitted in a sealed envelope, which should clearly identify both the project description and Bid # and identifies the Bidder.

Bids must be typewritten or legibly written in ink with any erasures/corrections being initialled by the Bidder in ink.

The City of Clarence-Rockland will not accept bids containing changes, erasures, overwriting, whiteouts, cross outs, or strikeouts, which are **not** initialled by the bidder, or bids with any alterations to the original bid request document.

13. **REQUIREMENTS OF BID**

Sealed Bids, one original and one copy, in a clearly marked envelope which includes the prescribed form(s) as instructed are to be delivered to City Hall, 1560 rue Laurier, Client Service Center, Rockland, Ontario, no later than 2:00 p.m. Local Time on 07-Apr-2017

Bidders are required to submit the following with their Bid:

- ~ Bid Submission Form
- ~ Pricing Schedule
- ~ List of Proposed Equipment
- ~ Bidder's Experience In Similar Work
- ~ Agreement to Bond

14. **PRICING**

All prices as submitted shall include all costs such as, but not limited to, labour, travel time, equipment, truck charges, materials, overheads, warranty and profits, disbursements and other related charges in the performance of the work. No further changes shall be permitted by any Bidder beyond the prices provided in the Bid.

All prices must be quoted in Canadian Funds, inclusive of all applicable duties, taxes, any and all foreseeable costs required for the fulfillment of this contract.

15. **AWARD**

The lowest or any Bid shall not necessarily be accepted.

Award of this Bid shall be as recommended by the designated City of Clarence-Rockland Department in conjunction with Procurement Services, and as approved by Council (if applicable), and conveyed as a PO by Procurement Services to the successful Bidder or an executed agreement which has been signed by the City and the successful Bidder.

SECTION 1.0

INSTRUCTIONS TO BIDDERS

16. AGREEMENT

Upon acceptance of the tender by the Municipality, the Contractor shall be required to conclude the attached agreement with the City of Clarence- Rockland, specifying the aforementioned conditions and specifications.

17. REQUIREMENTS UPON ACCEPTANCE

Prior to award, the recommended Bidder is required to submit the following in a form satisfactory to the City for execution within ten (10) business days after being notified by the City.

- i) The following documents, as listed, shall be submitted prior to or at the time of signing an agreement or prior to the issuance of a PO:
 - a) Insurance Certificate;
 - b) Contract Security/Performance Bond
 - c) a current copy of the Workplace Safety and Insurance Clearance Certificate, and
- ii) The Contract Security shall be kept in force throughout the duration of the Contract including the guarantee, warranty or maintenance period of the Contract and/or until the Contract is deemed complete by the City

18. BIDDERS INVOLVED IN LITIGATION WITH THE CITY OF CLARENCE-ROCKLAND

It is a matter of great importance to the City in the administration of this contract that the City's relationship with the successful bidder should be as productive, amicable and harmonious as is reasonably possible.

For the purposes of this section:

- (a) "Threatening Litigation" refers to the transmission of a written threat to commence a judicial proceeding; and;
- (b) "Pursuing Litigation" means actually commencing and / or continuing a judicial proceeding.

When:

- (i) A bid is received from a bidder who is threatening litigation or is pursuing litigation against the city in relation to previous contracts awarded to that bidder by the City; or,
- (ii) A bid is received from a bidder, against whom the City is pursuing litigation,

SECTION 1.0

INSTRUCTIONS TO BIDDERS

Active or pending litigation against the City by a vendor will prevent consideration of any bid submitted by that vendor. Each bidder expressly agrees in submitting a bid for this contract that, it shall have no claim for damages from the City in consequence of such rejection whether or not the litigation, or threatened litigation with the City which occasioned the rejection of the bid, has any merits, and whether or not it is successful or unsuccessful.

19. **TRAINING REQUIRED ABOUT ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES**

Section 6 of Ontario Regulation 429/07 (Accessibility Standards for Customer Service), made under the *Accessibility for Ontarians with Disabilities Act, 2005*, requires that the contractor (successful bidder/proponent) shall ensure that its employees, agents, volunteers, or others for whom it is at law responsible, receive training about the provision of the goods and services to persons with disabilities.

The training must be provided in accordance with the Regulation and shall include, without limitation:

- a review of the purposes of the Act and the requirements of the Regulation
- Instruction about all matters set out in Section 6 of the Regulation.

This training is available to you on-line at <http://www.mcass.gov.on.ca/mcass/serve-ability/splash.html> . The on-line training takes about twenty minutes.

The contractor (successful bidder/proponent) will be required to provide a signed acknowledgement form to City of Clarence-Rockland Procurement Services or Engineering staff (specified in this document) that confirms their compliance with Section 6 of the Regulation.

SECTION 2.0

STANDARD TERMS & CONDITIONS

DEFINITIONS:

- 1) Award is when the contract has been signed by both the vendor and the City or a PO has been issued.
- 2) Bid is a Quote, Tender or Proposal submitted to the City in response to a Bid Solicitation.
- 3) Bidder is a legal entity that submits a Bid.
- 4) Bid Irregularity is a defect contained within a response to a Bid Solicitation.
- 5) Bid Solicitation is an invitation for Bids from the City for the purpose of entering into a Contract.
- 6) Black out Period is the period of time that starts when the Bid Solicitation is issued, and ends at the Award.
- 7) City is the Corporation of the City of Clarence-Rockland.
- 8) Compliant means the response to the Bid Solicitation conforms to the mandatory requirements contained in the Bid Solicitation.
- 9) Conflict of Interest
 - a) is defined as a situation or circumstances, real or perceived that could give a Bidder or potential Bidder an unfair advantage during a Competitive Procurement Process or compromise the ability of a Contractor to perform its obligations under their Contract.
 - b) is a situation when City employee or a member of their family has a direct financial interest in a Contract or proposed Contract with the City, and where the City employee could directly influence the decision made in the course of performing their job duties, and also where they could indirectly influence the decision through exerting personal influence over the decision-makers.
- 10) Contract is a binding agreement between two or more legal entities, awarded under this Procurement Bylaw.
- 11) Contractor is any legal entity to which a Contract is Awarded.

SECTION 3.0

GENERAL REQUIREMENTS

- 12) Council is the City Council of the Corporation of the City of Clarence-Rockland.
- 13) Litigation (Pending) is whereby a potential claimant has demonstrated or manifested an intention to assert a possible claim.
- 14) Procurement Services means the section of the Finance that is responsible for the Procurement of Goods and/ or Services for the City.
- 15) Purchase Order means; a) a written confirmation of the Procurement of Goods and / or Services at a specific cost and required for any Procurement of Goods and / or Services greater than \$25,000;
b) may be used as the City's Contract with the Vendor to formalize all the terms and conditions of a proposed transaction, such as a description of the requested items, delivery schedule, terms of payment, and transportation.
- 16) Tender is a submission received in response to a Request for Tender.
- 17) Vendor is a supplier / seller of Goods and/or Services.

SECTION 3.0

GENERAL REQUIREMENTS

1. **CITY NOT BOUND**

The City reserves the right to accept or reject any or all Bids, in whole or in part, to accept a Bid other than the lowest and/or to NOT accept any Bid for any reason whatsoever, and to accept any Bid if, upon evaluation analysis, it is considered to be in the City of Clarence-Rockland's best interest. Award of the contract in its entirety or in part shall be in accordance with City of Clarence-Rockland requirements.

2. **MATHEMATICAL ERRORS (Unit Prices Prevail)**

Should there be any error in extensions, additions or computations, The City of Clarence-Rockland shall be entitled to correct such errors based upon the unit prices supplied, and the corrected total shall be considered as representing the intention of the bidder, and shall be used as the basis for comparison of bid submissions.

3. **OWNERSHIP OF SUBMISSION MATERIAL**

In consideration of the right to bid being offered, the bidder (by responding) releases all rights to the bid documents, which, on acceptance by Procurement Services, become the property of the City of Clarence-Rockland.

4. **INCURRED COST**

The City of Clarence-Rockland will not be liable, nor reimburse any bidders for costs incurred in the preparation of bids, or any other services that may be requested as part of the bidding process.

5. **TAXES AND DUTY**

- i) The City is subject to payment of Provincial and Federal (excise and H.S.T.) taxes imposed by the Provincial and Federal Governments. Should there be any approved variation in any tax or duty imposed by the Province of Ontario or the Government of Canada which becomes directly applicable to the goods/services or construction to be procured or provided during the term of this contract, the Bidder and the City mutually agree to allow the appropriate increase or decrease in the prices as of the date they become effective. The onus is on the Bidder to bring to the City's attention any such changes.
- ii) The Bidder shall allow in their prices for all Sales Taxes that may be required to pay on materials and equipment to be utilized or expended in construction and other works. Exception being; where the Bidder is in the position to claim for Sales Tax Rebates or input Tax Credits (ITCs) on the material used.
- iii) The Total Bid price shall be deemed to be inclusive of all Duties, Federal and Provincial taxes applicable to the vendor's charges to the City.

SECTION 3.0

GENERAL REQUIREMENTS

- iv) It is the Bidder's responsibility to investigate and otherwise familiarize themselves with all applicable federal and provincial tax laws as they relate to the specifications, and include related costs and the effect of available rebates / ITCs accordingly in the charges for all options.

6. **GOVERNING LAW**

The obligations of the parties and resolutions of any disputes shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada, both as to interpretation and performance, and shall be treated, in all respects, as an Ontario contract. The parties shall attorn to the exclusive jurisdiction of the courts of the Province of Ontario.

7. **COPYRIGHT**

The copyright for respective procured concepts and/or materials will become the property of the City of Clarence-Rockland unless otherwise mutually agreed upon by the successful Bidder and the City.

8. **ABILITY AND EXPERIENCE OF BIDDERS**

The City reserves the right to reject any BID unless the bidder is known to be skilled and regularly engaged in work of a character similar to that covered by the specifications of the work. The City also reserves the right to reject a Bid submitted by a bidder who has defaulted on, or failed to satisfactorily complete, other similar work in the past.

In order to aid the City in evaluating submissions, it may be necessary for each bidder to supply the City with additional information as specified in any special conditions. These may include, but not be limited to, references for similar work, background, a list of equipment to be used, or evidence of appropriate licences, evidence of financial stability.

9. **FREEDOM OF INFORMATION**

All information supplied to the City in this document becomes the property of the City of Clarence-Rockland and is subject to the provisions of the Municipal Freedom of Information and Protection of Privacy Act.

The names and bid amount of all bidders will be disclosed in accordance to our Procurement By-law.

SECTION 3.0

GENERAL REQUIREMENTS

Bidders agree that all documentation and information contained in any Bid Submission become the property of the City of Clarence-Rockland and as such, may be subject to disclosure under the terms of the *Municipal Freedom of Information and Protection of Privacy Act*. Although the City of Clarence-Rockland can in no way be responsible for any interpretation of the provision of this *Act*, if any Bidder believes any part of its Bid Submission reveals any trade secret of the Bidder, any intellectual property right, scientific, technical, commercial, financial or labour relations information, or any other similar secret, right or information belonging to the Bidder and if the Bidder wishes the City of Clarence-Rockland to attempt to preserve confidentiality of same, the particular trade secret, property right or information should be clearly designated as confidential.

10. **WORKPLACE SAFETY AND INSURANCE BOARD**

The Contractor shall provide the municipality with a current "Clearance Certificate" from the Workplace Safety and Insurance Board and the municipality may, at any time during performance of the contract or upon its completion, require a further declaration that assessments or compensation required to be paid pursuant to the Workers' Compensation Act have been paid.

Safety in the workplace is accomplished by:

- removal of, or safeguarding against, environmental health and physical hazards,
- establishment of safe working practices,
- provision of safety devices,
- provision, use and maintenance of personal protective devices,
- provision and participation in appropriate training
- Compliance with the Occupational Health and Safety Act and Regulations.

The Tender submission will be considered written confirmation of compliance with the Occupational Health and Safety regulations which includes W.H.M.I.S. training. W.H.M.I.S. information on training is available through the Construction Safety Association at 1-416-366-1501.

11. **CONFLICT OF INTREST**

(a) Neither the Contractor nor any person, firm or corporation associated or affiliated with or subsidiary to the Contractor or its subcontractors shall tender for a project, or have an interest either directly or indirectly in the in a project that arises from the Services provided as a result of this contract, without the prior written consent of the City.

(b) The Consultant is required to disclose to the City, prior to accepting this assignment any potential conflict of interest.

(c) If a conflict of interest exists, the City may, in their discretion, either withhold this assignment until the matter is resolved to the satisfaction of the City, or award the assignment to another firm.

(d) The Contractor acknowledges and agrees that he/she/it shall not act, work or provide services, directly or indirectly, for, or to, another person, or persons, partnership,

SECTION 3.0

GENERAL REQUIREMENTS

corporation, association or organization whose interests are in any way adverse, or contrary (in the opinion of the City of Clarence-Rockland), to those of the City of Clarence-Rockland with regard to the project for which the contractor was retained by the City. In the event of a breach of this obligation by the contractor he/she/it shall be responsible for all costs incurred or suffered by the City, including legal costs on a solicitor and client basis.

12. INSURANCE/INDEMNIFICATION

The Contractor shall indemnify and hold harmless the City, its officers, council members, partners, agents and employees from and against all actions, claims, demands, losses, costs, damages, suits or proceedings whatsoever which may be brought against or made upon the City and against all losses, liabilities, judgments, claims, suits, demands or expenses which the City may sustain, suffer or be put to resulting from or arising out of the Contractor's omissions, or failure to exercise reasonable care, skill or diligence in the performance or rendering of any work or service required hereunder to be performed or rendered by the Contractor, its agents, officials and employees. This indemnification shall include any legal costs incurred by the City on a substantial indemnity basis, including those incurred to defend any criminal prosecutions against the City resulting from the actions of the Contractor.

The Contractor, during the term of the contract, at its expense, shall take out and keep in full force and in effect the following insurance policies:

- a) **Commercial General Liability insurance** insuring all services, operations, products, and work as described in the contract. The policy will be extended to include bodily injury, property damage, personal injury and advertising injury, contractual liability, products- completed operations, contingent employer's, and owners and contractors protective liability to a limit of not less than five million dollars (\$5,000,000) per occurrence.

The policy shall include a cross liability and severability of interest clause and be endorsed to name The Corporation of the City of Clarence-Rockland as an additional insured;

- b) **Non-owned automobile insurance** to a limit of not less than one million dollars (\$1,000,000) and;
- c) **If applicable, automobile insurance (OAP1) for both owned and leased vehicles** with inclusive limits of not less than one million dollars (\$1,000,000).

All policies of insurance shall:

- (i) be written with an insurer licensed to do business in the Province of Ontario;
- (ii) contain an undertaking by the insurers to notify the City of Clarence-Rockland in writing not less than thirty (30) days prior to any termination or cancellation of coverage unless otherwise required by law;

SECTION 3.0

GENERAL REQUIREMENTS

- (iii) be non-contributing with and will apply only as primary and not excess to any other insurance or self-insurance available to the City of Clarence-Rockland and any deductible amounts will be borne by the Contractor.

Upon notification of intent to award the Contract and within ten (10) business days, the Contractor shall provide to the City of Clarence-Rockland proof of insurance on a form of a certificate of insurance which has been signed by an authorized representative of the insurer which references the appropriate bid number. The Contractor will make available complete certified copies of all applicable insurance policies for examination if required by the City.

Certificates of Insurance evidencing renewal or replacement of policies shall be delivered to the City within fifteen (15) business days prior to the expiration or replacement of the current policies, without demand by the City.

The City reserves the right to require the Contractor to purchase such additional insurance coverage as the City may reasonably require. The City reserves the right to request such higher limits of insurance or otherwise alter the types of insurance coverage requirements as the City may reasonably require from time to time.

It shall be the sole responsibility of the contractor to determine what additional insurance coverage and limits are necessary to fulfill its obligations in accordance to the contract.

13. INSURANCE CLAIMS

Claims or alleged claims received by the Contractor shall be dealt with immediately by the Contractor.

- (a) The Contractor shall retain an independent adjuster who will determine the Contractor's liability for all third party claims, and advise the claimant in writing of the determination of liability within sixty (60) days of service of the claim on the Contractor. Copies of such determination of liability shall be forwarded to the City of Clarence-Rockland.
- (b) If the Contractor or the Contractor's independent adjuster fails to respond within the time noted in (a) or responds in a manner inconsistent with the evidence at hand, the City of Clarence-Rockland reserves the right to have another independent adjuster review the claim and determine liability therefore. Any monies incurred by the City of Clarence-Rockland to investigate, defend and satisfy any third-party claim where it was determined that the Contractor was liable will be deducted from monies owing to the Contractor by the City of Clarence-Rockland.
- (c) If a claim is settled to the satisfaction of the Claimant, the Contractor shall provide the City of Clarence-Rockland with a copy of the Claimant's Release. The Claimant's Release shall cover the interests of the Contractor and The Corporation of the City of Clarence-Rockland, its employees, agents and anyone for whom it is in law responsible.

SECTION 3.0

GENERAL REQUIREMENTS

14. DEFAULT

In the event that the successful bidder fails to properly, promptly, and fully carry out the work required by these documents, the City reserves the right to notify the successful bidder to discontinue all work under this contract, to advertise for new Bids or carry out the work in any way as the City may, at its sole discretion, deem best. The bidder further agrees to save and hold harmless the City of Clarence-Rockland and/or its officers, agents, or servants from all loss, damage, liability, cost, charge or expense whatsoever which it, they or any of them may suffer, incur or be put to by reason of such default or failure.

15. TERMINATION

In the event that the contractor fails to comply with any provision of this agreement or otherwise fails to perform its obligations hereunder in a competent manner satisfactory to the City, the City may give the contractor notice in writing of such failure. In the event that the contractor has not remedied its failure within ten (10) days of the said notice, the City shall be entitled to exercise any one or more of the following remedies:

- a) The City may terminate the contract without further notice, and exercise its rights to the performance security provided by the contractor;
- b) The City may withhold any payment due to the contractor hereunder until the contractor has remedied its failure;
- c) The City may engage the services of another contractor to remedy the contractor's failure, and obtain reimbursement therefore from the original contractor. The said reimbursement may be obtained either through deduction from any amounts owing to the contractor hereunder, or through any other legal means available to the City; or
- d) The City may assert any other remedy available to it in law or equity.

Unless the City expressly agrees to the contrary, any failure of the City to exercise any of the foregoing remedies, or the granting of any extension or indulgences, shall not be prejudicial to any right of the City to subsequently obtain such remedies.

16. SUSPENSION OF BIDDERS

At the discretion of Procurement Services, any Bidder may be suspended from consideration of their Bids for up to 3 years for default of delivery, unsatisfactory performance, safety concerns, lobbying and contravention of a Bid Solicitation document.

18. REJECTION

18.1 If any of the goods are found at any time to be defective in material, workmanship, quality, quantity or otherwise not in strict conformity with the specifications or requirements of the original Bid request and any subsequent order, the City in addition to any rights to which it may have under warranties or otherwise shall have the right to reject and return such goods for full credit. All freight charges are to be at the Vendor's expense.

SECTION 3.0

GENERAL REQUIREMENTS

18.2 Without limiting the foregoing right of rejection, the City shall have the right to require prompt replacement, repair or correction of defective work or goods at the risk and expense. If the Vendor is unable or unwilling to effect such replacement, repair or correction the Corporation may do so by using its own workers, goods or facilities or by outside contract and shall be entitled to charge the original Vendor for excess costs directly or indirectly occasioned thereby.

19. VENDOR RESPONSIBILITIES

19.1 It is mutually agreed and understood that the Vendor shall not assign, transfer, convey, sublet or otherwise dispose of the Tender, or Contract or the right, title or interest therein, or the powers to execute the same, without the previous written consent of the City.

19.2 Acceptance of a purchase order issued by the City for a bid or any part of a bid shall constitute a contract between the City and the Vendor which shall bind the Vendor on his part to furnish and deliver the goods or services at the prices given and in accordance with the conditions of the bid and these Standard Terms and Conditions.

20. CONTRACT AND VENDOR REQUIREMENTS

The vendor hereby covenants and agrees that if their Tender, or any part thereof is accepted by the Corporation, they:

- a) Shall perform the contract in accordance with the specifications, terms and conditions under which it is awarded.
- b) Shall use due care that no person is injured and that no property is damaged in the performance of the work.
- c) Shall not, except with the consent of the City in writing, release information relating to any subsequent order for advertising, promotional or technical purposes or otherwise give it publicity in any fashion, nor shall the name of the City be used for, or in connection with, any advertising or promotional purpose of the Vendor.
- d) Vendors are to treat information gained while working with the City confidentially and not use it for any other project and return it to the City if requested with no copies to be retained.,
- e)
 - (i) Shall provide a complete list of all controlled products, hazardous materials, products containing hazardous materials, and all biological or chemical agents or devices or equipment producing or emitting a physical agent and any substance, compound, product or physical agent that is deemed to be, or contains, a designated substance as defined under the Act and the Regulations, which will be supplied or used in the work, before commencing. The Vendor/contractor shall provide appropriate information and Material Safety Data Sheets, where required, with the shipment
 - (ii) Shall ensure that contractors, sub-contractors and all of their employees are trained in W.H.M.I.S.

SECTION 3.0

GENERAL REQUIREMENTS

21. **INVOICE REQUIREMENTS**

The Contractor will submit to the City of Clarence-Rockland, Finance – Accounts Payable, an invoice for payment at the completion of work.

All applicable taxes are to be itemized separately on invoices, i.e. H.S.T.

22. **PAYMENT TERMS**

Net 45 days after receipt of invoice unless a discount for quick payment is offered. No other terms of payment will be accepted whether stated / implied without written approval. Payment may be delayed if the goods and / or services are not acceptable to the Corporation.

23. **PERFORMANCE BOND**

The successful tenderer will be required to supply a Performance Bond in the amount of 50% (Fifty Percent) of the Awarded Contract Price, issued by an approved Surety Company for the faithful performance of this contract, including the maintenance guarantee for the time specified.

The performance deposit for the party to whom the contract is awarded shall be retained for the period of the contract and shall be released at a time considering that all deficiencies have been properly rectified.

SECTION 3.0

GENERAL REQUIREMENTS

SECTION 3.0

GENERAL REQUIREMENTS

1. OCCUPATIONAL HEALTH AND SAFETY ACT (OHSA) REQUIREMENTS

The Contractor agrees at all times to comply with Occupational Health and Safety Standards in the workplace and further agrees to adhere to Health and Safety Standards set out in applicable statutes and regulations and to comply with written Health and Safety Policies of the City.

2. TOXIC AND HAZARDOUS SUBSTANCES

If the Successful Contractor encounters unidentified toxic or hazardous substances at the Place of the Work, or has reasonable grounds to believe that unidentified toxic or hazardous substances are present at the place of the Work, the Successful Contractor shall take all reasonable steps, including stopping the Work to ensure that no person suffers injury, sickness or death, and that no property is injured or destroyed as a result of exposure to the presence of the substances, and immediately report the circumstance to the City in writing.

3. LICENCES AND PERMITS

The successful bidder will be responsible for applications and fees associated with any and all **licences and permits** required by any and all governing bodies unless otherwise stipulated in the bid request document. A copy of all permits, and any other required documentation will be forwarded to the City's designate for City records.

4. EVIDENCE OF QUALITY

It is the bidder's responsibility to prove their product/service quality meets the City of Clarence-Rockland's requirements and bidders may be required to submit evidence in a form acceptable to the City. Substitution of materials equipment or methods different from that outlined in the specifications / terms of reference will not be accepted unless provided for within the bid request document or without the written approval of the City of Clarence-Rockland.

5. LABOUR DISPUTES

The obligations of the successful bidder hereunder shall continue unchanged throughout the occurrence of any labour disputes (including strike or lockout), whether the same occurs with respect to the employees of the City, the contractor, or otherwise.

SECTION 3.0

GENERAL REQUIREMENTS

6. GUARANTEED MAINTENANCE AND WARRANTY

- 6.1 Upon completion of the Work, the Contractor shall maintain the Work for a warranty period of *Twelve (12) Months* after the date of substantial completion to the satisfaction of the City/or Consultant, if any, both acting reasonably. The Contractor shall correct any imperfections due to material or workmanship. The decision of the City/or Consultant, if any, both acting reasonably, as to the nature and cause of any imperfections and the necessity for the type of repair shall be final. If the Contractor fails to comply with the direction from the City/or Consultant, if any, both acting reasonably, within fifteen (15) Calendar Days or immediately in the case of an emergency the City/or Consultant, if any, both acting reasonably, may proceed under the Performance Bond or if it is holding a Letter of Credit, or Certified Cheque, it may draw upon it and complete the required work at the Contractor's expense.
- 6.2 The warranty given pursuant to this section shall not limit extended or other warranties on any items of equipment or material called for elsewhere in the Contract.
- 6.3 The Contractor shall, before final payment is applied for, to the extent permitted by the manufacturer and supplier, assign to the City the benefit of any warranty by any manufacturers or suppliers in addition to the warranty as mentioned above.

7. CONTRACT TERM

FROM JUNE 5, 2017 TO NOVEMBER 1st, 2017

8. EXISTING SERVICES

The position of utility pole lines, underground conduits and services, watermains, sewers and other underground and over ground utilities and structures are not necessarily known, and the accuracy of the position of such utilities and structures on any reference documents is not guaranteed. The City of Clarence-Rockland will not be responsible for damages or extra work caused or occasioned by the Contractor relying on this or any other information or records.

Before starting work, the Contractor shall familiarize himself of the exact location of all such utilities and structures and shall assume all liability for damage to them. Where extra measures are required to support utility poles during construction either by the utility involved or the contractor himself, the costs involved shall be borne by the Contractor. The contractor will be responsible for any fees that may be associated with these services.

SECTION 3.0

GENERAL REQUIREMENTS

9. **INSPECTION AND CONTROL OF SITE**

A representative of the City (appointed by the City) reserves the right to review & inspect the work. The presence of a said representative does not indicate satisfaction or compliance unless these comments are made by the representative and submitted to the contractor in written form.

10. **CONTRACTOR'S USE OF SITE/TRAFFIC CONTROL**

The Contractor shall supply and maintain all necessary barricades, warning signs and flashing lights for the protection of the public and the work, including warning signs of construction operations maintained at both ends of the Contract for the duration of the Contract. Also, the Contractor shall provide flagmen for the purpose of controlling traffic. All of the above shall be in accordance with the current Ontario Traffic Control Manual and OPSS 706. Temporary Conditions – Field Edition Book 7, published by the M.T.O., which is available from the M.T.O. for a nominal fee.

The provision of OPSS 706 shall apply except as amended or extended herein. All traffic control, procedures and devices shall be provided by the contractor and conform to the requirements of the most recent version of the following references;

- i) The Ministry of Transportation's "Ontario Traffic Manual (OTM) Books 7 and 11

The Contractor shall also place and maintain "loose gravel caution" signs at both ends of the street which received surface treatment. Signs shall remain in place until all loose gravel, or gravel float has set and vehicle traction has been assured.

11. **EMERGENCY AND MAINTENANCE**

The care of the works until completed, delivered to and accepted by the City rests solely with the Successful Contractor who shall assume all risk of damage to the work.

For the purpose of Emergency and Maintenance measures, the name, address, and telephone number of a responsible official of the contracting firm shall be given to the City's contact person in charge of the project. This official shall be available at all times and have the necessary authority to mobilize workers and machinery and to take any action as directed by the City in the event emergency or maintenance measures are required, regardless of the fact that the emergency or requirement of maintenance may have been caused by the Successful Contractor's negligence, Act of God, or any cause whatsoever.

Should the Successful Contractor be unable to carry out the required immediate remedial measures, the City may carry out the necessary repairs and the costs for this work shall be deducted from payments due to the Successful Contractor.

12. **ENVIRONMENTAL SUSTAINABILITY**

SECTION 3.0

GENERAL REQUIREMENTS

The City of Clarence-Rockland is committed to preserving the environment and reserves the right to encourage the procurement of supplies and services with due regard to the preservation of the natural environment and to integrate sustainability considerations into product selection so that negative impacts on society and the environment are minimized throughout the full life cycle of the products; suppliers may be selected to supply goods made by methods resulting in the least damage to the environment, and/or to supply goods incorporating recycled materials where practical. Bidders are encouraged to include certified green product alternatives wherever possible with proof of third party certification (i.e. Eco Logo, Green Seal, Energy Star) for each product proposed. It is to be understood that total lifecycle cost analysis may be required to ensure that these supplies and services are financially viable and available at competitive prices.

13. QUANTITIES

It is fully understood that this contract is specifically for the Road Maintenance Program of the City of Clarence-Rockland and does not include capital works projects such as road reconstructions, utility's installations, etc. Any capital work projects shall form separate tenders.

Where approximate or estimated quantities are indicated in the Request for Tender document, it is for the sole purpose of comparing tenders only. While these quantities have been carefully prepared in light of past experience and anticipated future requirements, the City is not bound to accept these quantities.

14. PRIORITY OF PERFORMANCE

The Contractor shall ensure that the operations that are subject to this contract shall rate in priority above the performance of operations under any contract with any other private or public body or person. **The Contractor will receive a master list at the beginning of the contract and will be granted until SEPTEMBER 15th, 2017 to complete the list. Subsequently if any other list is given after SEPTEMBER 15th, 2017. The Contractor will have two weeks to perform and complete the work.**

The successful Tenderer shall be required to be readily available to commence the work by the start of the scheduled maintenance operations, which are to take place at the beginning of June 2017 or by the start of asphalt plants operations.

15. C.V.O.R.

The Contractor will be known as the "Operator" with regard to C.V.O.R. (Commercial Vehicle Operator Registration) legislation as defined in the Highway Traffic Act.

SECTION 3.0

GENERAL REQUIREMENTS

16. TIME

The Proponent shall perform the Services expeditiously to meet the requirements of the City and shall complete any portion or portions of the Services in such order as the City may require.

17. HAUL ROADS

Where haul roads are damaged due directly or indirectly to the hauling operations, the Contractor will place such material and perform such work on the haul roads as is required to provide safe passage and control of traffic therein. The Contractor will on completion of the hauling operations, place such material and perform such work as is necessary to restore haul roads to their original condition.

No payment will be made for materials placed and work performed in accordance with these requirements.

18. DUST CONTROL

The Contractor will take such steps as may be required to prevent dust nuisance resulting from his operations either within the right-of-way or elsewhere or by public traffic where it is the Contractor's responsibility to maintain a roadway through the work. The cost of all such preventive measures will be borne by the Contractor.

19. CLEAN UP

The Contractor, at the request of the City's Public Works Department, will thoroughly remove all asphaltic and other materials along the shoulders of the road, as may have occurred during and because of the performance of the work.

The Contractor will keep the premises clean at all times and on completion of the work will remove all surplus materials, tools, equipment and debris, and leave the site in a clean and tidy condition to the complete satisfaction of the Corporation.

20. SPILLS REPORTING

Spills or discharges of pollutants or contaminants under the control of the Contractor, and spills or discharges of pollutants or contaminants that are a result of the Contractor's operations that cause or are likely to cause adverse effects will forthwith be reported to the City. Such spills or discharges and their adverse effects will be as defined in the Environmental Protection Act, R.S.O. 1990

This reporting will not relieve the Contractor of his legislated responsibilities regarding such spills or discharges.

SECTION 3.0

GENERAL REQUIREMENTS

21. W.H.M.I.S.

The Tender submission will be considered written confirmation of compliance with the Occupational Health and Safety regulation which includes W.H.M.I.S training. W.H.M.I.S. information on training is available through the Construction Safety Association at 1-416-336-1501

22. CHANGES IN THE WORK

The Owner, or Representative, without invalidating the Contract, may make changes by altering, adding to or deducting from the work; the contract price and the contract time being adjusted accordingly.

23. TENDERING PROVISIONS

The Tenderer will familiarize himself with all aspects of the work, including the Work Tender, the Instructions to Bidders, the General Conditions and Procedural Specifications. The Owner will accept no responsibility for the failure or negligence of a Tenderer in doing so.

24. COMPLETION

The Contractor will keep the premises clean at all times and on completion of the work will remove all surplus materials, tools, equipment and debris, and leave the site in a clean and tidy condition to the complete satisfaction of the Corporation.

25. PROTECTION

The Contractor will take over and assume entire responsibility for the premises in so far as they may be affected by the scope of the Contract, maintain all existing protection, provide and maintain all additional protection necessary or as may be required by governing laws, rules, regulations and ordinances. All such protection will be removed from the premises when directed.

The Contractor will indemnify and save harmless, the Corporation from and against all claims, actions, losses, expenses, costs or damages of every nature and kind whatsoever which the Corporation, its employees, officers or agents may suffer as the result of the negligence of the Contractor, his employees, officers or agents in the performance of the Contract.

The Contractor will be responsible for any loss or damage caused by him or his workers to the property of Corporation and will make good any loss, damage or injury arising from the work or its execution, without cost to the Corporation.

The Contractor will provide and maintain all legal or necessary guards, railing, lights or warning signs and take all necessary precautions during the execution of the work to protect fully all persons from loss, damage or injury to their property, and will be held

SECTION 3.0

GENERAL REQUIREMENTS

responsible for any loss, damage or injury, which may occur through the neglect, carelessness or incompetency of himself or his employees.

When the whole or part of the work is suspended for any reason where it needs to be extended for more than five (5) calendar days, the Contractor will notify the Public Work's Manager of Operations or his representative, will need a traffic control plan with him at all times and it shall conform with the minimum standard according to the MTO Book #7 as if to secure and protect such if his work as may be liable to damage or sustain injury from any cause.

26. **CONTRACTOR'S LIABILITY**

The Contractor will be responsible for all damages caused by him, his employees, agents or any workers or persons employed by him, or under his control, arising from the prosecution of the work, by reason of existence, location, condition of work or any materials, plant, machinery used there on or therein, which may happen by reason of his failure or the failure of those for whom he is responsible, to do or perform any or all at of the several acts or things required to be done by him or them under the contract. The Contractor agrees to hold the Owner safe and harmless from any such claims are third parties, including any legal costs incurred by the Owner in connection therewith on a solicitor/client basis.

In the event that the Tender is accepted within the time provided and the Tenderer's failure to fulfill any of the requirements stipulated herein, or in the event of any purported withdrawal of the tender with the time limit set forth, the damages sustained by the Corporation as a result of the Tenderer's default, shall be assessed as being the difference between the amount of this tender and estimated cost to the Corporation of having the work done and materials supplied by any other means the Corporation judges appropriate.

**1. GENERAL DESCRIPTION**

The Contractor will supply for the entire contract of approximately 2800 square meters of hot mix road patching, all labour, materials, transportation, apparatus, tools, scaffolding, etc.

2. HL3 HOT MIX ASPHALT PATCHING

- a. Tack Coat Material shall be applied to all faces of longitudinal and transverse joints on existing asphalt and /or concrete and whenever patch is applied over existing asphalt layer. All joints to be as per OPSS 310.07.11.02, 310.07.11.03 and 310.07.11.04.
- b. Longitudinal and Transverse joints shall comply with OPSS 310.07.11.01, 310.07.11.02 and 310.07.11.03.
- c. All Longitudinal and Transverse joints shall be painted with reflective paint on the face of the cut it is also the contractor's responsibility to install appropriate lights and signs as described in the protection section of this tender document.
- d. Should the removed asphalt area be left open for more than 2 days an asphalt ramp shall be installed at no extra cost.
- e. Prior to placing hot mix asphalt in patch area, all unsuitable material shall be removed and when a significant depression is present at granular base, Granular A Type II crushed stone shall be added and compacted to 100 % of its standard proctor. Any disturbed granular shall be properly graded and compacted prior to proceeding with repairs.
- f. Paving Equipment shall consist in all cases of Pavers which are equipped with automatic longitudinal and transverse grade and slope controls as per OPSS 310.06.01.
- g. Rollers shall conform to OPSS 310.07.12.01 and shall be required to be able to supply compaction both in static and vibratory mode. Rollers shall be class V meaning double steel drum.
- h. Disposal of all excess and discarded material shall be of the contractor's responsibility and included within the tender price and shall be carried out in accordance with OPSS 180.
- i. The job mix formula for the Hot Mix Asphalt shall be for HL3 which meets all MTO and OPSS 1150 specifications.
- j. In some instances, the Infrastructure and Planning Inspector may require padding correction of cross-fall and/or pavement profile over existing pavement in lieu of patching.
- k. In these instances, a key shall be cut and removed at start and end of padding and tack coat shall be applied to clean existing pavement. Once a key is cut the

contractor shall keep reflective paint on the face of the cut. It is also the contractor's responsibility to install appropriate lights and signs as described in the protection section of this tender document. **No keys shall be left open for a period longer than two (2) calendar days.**

- I. New hot mix padding shall then be keyed into start and end of padding. Average thickness specified under this contract shall be of a minimum 50 mm compacted layer. Payment shall be by Adjusted Payment Area (APA) when the average thickness is 50 % or greater than specified thickness. See formula below

$$\text{APA (m}^2\text{)} = \frac{\text{Actual Area(m}^2\text{)} \times \text{Average Thickness (mm)}}{\text{Specified Thickness}}$$

When average thickness is greater or equal than 50% of the specified thickness, the Physical Services Technician must be advised in order to observe and verify average thickness and give indications on whether or not to proceed with thicker padding.

3. SAW CUTTING

- (i) The unit price for saw cutting shall be included in the asphalt patching unit price.
- (ii) Saw must achieve a complete cut which shall have full penetration through layer of existing hot mix as to minimize disturbance to adjacent pavement.

4. Adjusting Catch Basins/Adjusting Manholes/Adjusting Valve cover

- a) Prior to adjusting or rebuilding a structure, the existing frame with cover or valve cover shall be carefully removed and salvaged. The salvaged frame with cover or valve cover shall be reuse, if in good working order. Subsequently if the replacement of the frame with cover or valve cover is eminent, the City's Inspector must be advised in order to observe and verify the frame with cover or valve cover. Should a new frame with cover or valve cover be required it will to the Contractor to supply these structures at the unit price specified in the unit price schedule. The City will **NOT exchange** any structures. It is the responsibility of the contractor to have his own inventory of structures.
- b) All adjustment rings/risers shall be included in the unit price of the manhole, catch basin adjustment cost.
- c) When the top of the structure is to be lowered, (below risers) the concrete and steel reinforcement shall be carefully removed (cut or chipped). The finish structure elevation shall be at a grade to permit the installation of the grate and cover including a minimum of 2'' (50mm) spacer. A minimum of one 2'' (50mm) and a maximum of three 2'' (50mm) adjustment units on the top of the structure shall be placed prior to placing the frame with grate or cover.
The upper section of the structure shall then be rebuilt to its original configuration using cast-in-place concrete and steel reinforcement as per OPSS

407.

- d) Concrete shall be placed according to OPSS 904
- e) All manhole adjustments shall be required to match road cross-fall.
- f) Measurement will be by number of structures actually adjusted or built, regardless of height.
- g) Rebuilding and Adjusting to be conducted are to be as per OPS408.
- h) Precast adjustment units are to be as per OPSS 1351 and installed as per OPSD 704.010
 - i) Rubber adjustment units shall be according to OPSS 1853.
 - j) Work to be carried out under this item shall include any change of elevation of any structure regardless of type and size.
 - k) All existing brick work and mortar shall be removed from the top of the existing structure. A minimum of one 2" (100mm) and a maximum of three 2" (50mm) adjustment units on the top of the structure shall be placed prior to placing the frame with grate or cover.
 - l) Following adjustments and rebuilding all debris shall be properly removed from bottom of structures.
 - m) This item shall include all necessary saw cuts, excavation, removal of asphalt and/or concrete and disposal, placing and compaction of granular backfill to a dry density of 100 % and also any or all concrete or rubber adjustment units. After adjustments, the void around the frame is to be filled with **concrete**. Any curbs and/or sidewalks having been damaged during the operations must be reinstated by the contractor.
