COMMUNICATIONS

All questions related to this Tender, or for clarification on completing the Bid Submission Form, are to be directed in writing to:

Single Point of Contact:

Manager Supply & Processes

Tel: 613-446-6022, Ext. Ext 2206

E-mail: Glalonde@clarence-rockland.com

All questions relating to this Request for Tender or any clarification with respect to this Tender should be made in writing as per the tender time. We cannot guarantee a response to any questions received after this deadline. The City reserves the right to extend the closing deadline if required.

Written answers or clarifications to issues of substance shall be shared with all Bidders and will be issued as part of the Tender Documents in the form of an Addendum. Replies in any other manner will not be legally binding. All Addenda must be acknowledged on the Bid Submission Form.

No verbal communications shall modify the terms, conditions, or specifications, unless they are confirmed in writing to all potential bidders by the City of Clarence-Rockland Procurement Services in the form of an addendum.

Should a Bidder find omissions from or discrepancies in any of the Tender documents, unnecessary restrictions in the specifications, or should he/she be in doubt as to the meaning of any part of this document, he/she should notify the contact named above in writing prior to submitting a bid. An addendum will be issued if it is determined that a correction, explanation or interpretation is necessary or desirable.

The Tender and addenda will also be posted on the City of Clarence-Rockland Web site at www.Clarence-Rockland.com.

If Bidders fail to report any discrepancies, errors or omissions to the Buyer as specified, Bidders will be deemed to have accepted all such specifications as being accurate, and the City will not approve any alternatives or extra charges subsequent to acceptance of the bid. Therefore, Bidders are encouraged to review the document in full before the deadline for questions.

1. ELIGIBILITY TO PARTICIPATE

Open competition.

2. GENERAL

This RFT process is being undertaken in accordance with the City's Purchasing By-law.

By submitting a bid, the bidder has accepted an offer by the City to enter into a "bid contract" for evaluation of bids and the award of the contract, if an award is made. The Bidder acknowledges that the terms of the "bid contract" are represented by the RFT Documents (hereinafter defined).

3. TENDER TIMELINE

Event	Anticipated Date
Request for Tender issued	22-Mar-2017
Last Day for submitting e-mail inquiries	04-Apr-2017
Tenders due from firms	13-Apr-2017 2:00
Evaluations	April 2017

All of the painting except the new construction or the resurfacing done by the City must be completed by July 31st of each contracted years.

4. SUBMISSION OF BID

Tenders should be completed without delineations, alterations, or erasures. In the event of a discrepancy between the original paper copy of a Tender and any of the copies, the original shall prevail.

Bids received after the deadline, whether delivered personally, or if mailed, regardless of postal markings, will not be opened and returned to the bidder. Fax or electronic (email) submissions will not be accepted.

Sealed Bids, one original and one copy, in a clearly marked envelope which includes the prescribed form(s) as instructed are to be delivered to City Hall, 1560 rue Laurier, Client Service Center, Rockland, Ontario, no later than 2:00 p.m. Local Time on 13-APR-2017.

Bidders are required to submit the following with their Bid:

Bid Submission Forms, pages **41** to **49** must be submitted including all information as applicable to this contract.

- Bid Submission Form
- Pricing Schedule
- Equipment List
- List of Subcontractors
- Bidder's Experience In Similar Work

Proposals should be submitted in accordance with the instructions set out in this RFP.

Bids that are not originals, are unsigned, improperly signed, un-initialed, incomplete, conditional, qualified or illegible, may be declared non-compliant.

5. CONTRACT TERM

The term of the contract will be (3) years. The contract may be extended at the City's discretion for an additional two (2) one (1)-year terms. The contract renewals will be based on the same terms and conditions and upon mutual agreement between the Contractor and City and contingent upon a sufficient budget and / or Council approval if applicable.

The percentage increase, if any, for the renewal years of the contract will be based on previous years CPI.

6. PRIORITY OF PERFORMANCE

The Contractor shall ensure that the operations that are subject to this contract shall rate in priority above the performance of operations under any contract with any other private or public body or person. Once the work order is received, the work must be performed and completed within two (2) weeks.

7. AGREEMENT TO BOND

Bidders shall submit with their Bid Form an "Agreement to Bond" or "Consent of Surety", stating that the surety providing the Bid Bond is willing to supply the required Performance Bond and Labour and Material Payment Bond.

8. PERFORMANCE SECURITY

Upon execution of the contract, the successful bidder will be required to submit Performance Security in the amount of fifty percent (50%) of the contract price as payment security.

➤ The cost of all bonds shall be included in the Bid Price.

The accepted Bidder shall submit to the Owner the required Performance Bond immediately upon receiving notification of acceptance of its Bid from the Owner.

The Contract Security shall be kept in force throughout the duration of the Contract including the guarantee, warranty or maintenance period of the Contract and/or until the Contract is deemed complete by the City

9. GENERAL DESCRIPTION

The intent of this Bid call is to invite and receive bids to furnish all labour, materials, services, transportation and incidentals to perform the following work:

Line Painting

10. LATE BIDS

Only Bids that have been time stamped by City staff and received at the Client Service Center will be considered. It is the responsibility of the Bidder to ensure that their Bids arrive on time at the Client Service Center. The City of Clarence-Rockland takes NO responsibility for Bids submitted via third parties and will NOT guarantee placement in the Bid Deposit box by closing time.

11. OPENING OF BIDS

Bids will be opened publicly by Procurement Services staff who will also notify proponents on the winning bidders name and value of the contract once the project has been awarded.

Bidders should note that the pricing information read out at the public tender opening is PRELIMINARY in nature only and should not be construed as an indication of which Bidder is being awarded the Contract. All documentation is subject to review for mathematical accuracies, compliance with the Specifications, and compliance with the Terms and Conditions of the Contract, the completion of which will ultimately determine the Successful Bidder

Time 2:00 PM on 13-Apr-2017

**Site: City Hall
1560 Laurier

12. WITHDRAWAL OF BIDS

A Bidder may withdraw their Bid by written notice on business letterhead, clearly identifying the project, signed by an authorized individual and received by Procurement Services UNTIL 1:59 PM Local Time on the closing day. Faxes will be accepted (613) 446-1497 with the receiving time at Procurement Services being the "Official" time of receipt. Procurement Services takes NO responsibility for fax transmittals NOT being received on time, regardless of when they were transmitted.

If more than one (1) bid is received under the same name for the same contract and no Bid Withdrawal Form has been received, the Bid contained in the Bid Envelope bearing the latest date and time shall be considered the intended Bid. The first Bid received shall be considered withdrawn and returned to the Bidder.

13. ADDENDUM / ADDENDA

All clarifications, and/or modifications to the bid documents will be made by written addendum. All such modifications shall be incorporated into the bid documents and shall be considered when determining the base bid. Replies to questions and modifications in any other manner will not be legally binding and the City of Clarence-Rockland will assume no responsibility for oral instruction or suggestion provided by any City representative or consultant.

N.B. It is the responsibility of the vendor to check the Merx Web Site or the City Web site for any possible addenda.

Bidders will be allowed the opportunity to acknowledge Addendum / Addenda 48 hours after the closing date and time.

Bidders will **not** be allowed to alter their submission in any way after the closing date and time has elapsed.

Bidders should acknowledge receipt of all Addendum / Addenda by inserting in the space provided on the Bid Submission Form, the numbers of all Addendum / Addenda received during the bidding period.

14. REJECTION OF BIDS

The City of Clarence-Rockland reserves the right to reject any, or any part of, or all Bids, or cancel this Bid at any time for any reason whatsoever and also reserves the right to award the contract to other than the lowest compliant bidder.

The City of Clarence-Rockland will not consider Bids where the Bid Submission Form is improperly or incompletely filled out. The Bid Submission Form is supplied by the City of Clarence-Rockland. Bids submitted to the Client Service Center, City Hall, Clarence-Rockland, Ontario, after the designated closing time on the due date will not be considered, regardless of the circumstances which resulted in the late arrival to the Bid Deposit Box, and regardless of any postal cancellation date that may be imprinted on them.

The Bid Submission Form must bear a signature of an authorized person(s) of the bidder.

15. BID IRREGULARITIES

All bids received by the City of Clarence-Rockland are governed by its Procurement By-law, which in part provides staff with guidance in determining the validity of all Bids.

Bid irregularities will be dealt with in accordance with the following table:

Irregularity	Consequenc
Late Bids.	Rejection.
Bid security not provided or not in the form or amount that is specified.	Rejection.
Bid security not signed by the bidder or the bonding company.	Rejection.
Bids not completed in ink.	Rejection.
Signature missing from signature page.	Rejection.
Qualified bids (bids qualified or restricted by an attached or added statement).	Rejection, unless allowed for in the bid solicitation.
Bids received on documents other than those provided in the request.	Rejection, unless allowed for in the bid.
Part Bid (all items not bid).	Rejection, unless allowed for in the bid.
Failure to attend a mandatory meeting.	Rejection.
Bids containing errors in extensions, additions, or computations.	The City has the right to correct mathematical errors.

The City of Clarence-Rockland will not accept bids containing changes, erasures, overwriting, whiteouts, cross outs, or strikeouts, which are not initialed by the bidder.	The bidder has 48 hours after the close of the bid to initial these pages, but will not be allowed to make any changes.
Bids which suggest that the bidder has made a major mistake in calculations or the bid.	Decision will be made on a case by case basis and in consultation with the Manager of Supply and the Legal Department.
Addenda not acknowledged.	The bidder has 48 hours to acknowledge addenda, but is not allowed to make any changes to their bids.
Other Proposal Irregularities, including deviations in terms.	Referred to the Bid Review Panel for review, consideration, and determination. Upon Request of the Owner, the Proponent may be given five (5) Working Days to correct such Proposal Irregularity.

16. BIDS IRREVOCABLE

Bid submissions are an offer to the City, are irrevocable for a period of one hundred and twenty (120) calendar days, and may not be withdrawn by the Bidder after closing. Bids are open for acceptance by the City for a period of one hundred (120) calendar days.

17. BID SUBMISSION FORM

The unaltered Bid Submission Form must be completed in full, bearing a signature of an authorized person(s), and submitted in a sealed envelope, which should clearly identify both the project description and Bid # and identifies the Bidder.

Bids must be typewritten or legibly written in ink with any erasures/corrections being initialed by the Bidder in ink.

The City of Clarence-Rockland will not accept bids containing changes, erasures, overwriting, whiteouts, cross outs, or strikeouts, which are **not** initialed by the bidder, or bids with any alterations to the original bid request document.

18. PRICING

All prices as submitted shall include all costs such as, but not limited to, labour, travel time, equipment, truck charges, materials, overheads, warranty and profits, disbursements and other related charges in the performance of the work. No further changes shall be permitted by any Bidder beyond the prices provided in the Bid.

- i. The bid price shall be provided in numerals only.
- ii. A mathematical or transposition discrepancy or error on the face of a bid may be corrected by the City by correcting the bid price accordingly, at the City's unencumbered discretion.

- iii. Where the discrepancy is in respect of a figure represented numerically and in words, the figure as written in words shall be accepted as correct, and the numerical representation will be corrected accordingly.
- iv. Where the discrepancy is in respect of extensions of unit prices, the unit price shall be taken as correct, and the extension shall be corrected accordingly.
- v. Where a mathematical error is made in adding line items to a total, the correct addition shall be taken as correct, and the recorded total will be corrected accordingly.
- vi. Where an error has been made in transferring an amount from one part of the bid to another, the amount shown before transfer shall be taken to be correct and the amount shown after the transfer and the bid price shall be corrected accordingly.
- vii. Where the discrepancy or error is such that more than one of the foregoing provisions applies, the corrections shall be applied sequentially.
- viii. Where the discrepancy or error is such that none of the foregoing provisions apply, the discrepancy or error shall be corrected by taking the lower of the inconsistent amounts as being correct, and the higher amount shall be corrected accordingly.
- ix. If a bidder has omitted to enter a price for an item of work set out in the bid, the bidder shall, unless the bidder has specifically stated otherwise in the bid, be deemed to have allowed elsewhere in the bid for the cost of carrying out the said item of work and, unless otherwise agreed to by the City, no increase shall be made in the total bid price on account of such omission.

All prices are F.O.B. destination, freight prepaid to Clarence-Rockland, Ontario unless otherwise specified.

19. INCIDENTAL ITEMS

The following is a partial list of items, the costs of which are to be included in the unit prices of the tender items unless a specific payment item is included in the Unit Price Worksheet. No additional payment will be made for the following:

- (a) Cost of permits and fees
- (b) Cost of attendance at site meetings and other emergency meetings that may be necessary over the course of the project to effect proper coordination, dealings with property and business operators/owners, dealing with emergency situations, and other related meeting activities necessary.
- (c) Cost of removing and/or relocating to a temporary or final location, when required by the City representative, small signs, fences, mailboxes, waste containers, or other minor obstructions interfering with the construction.
- (d) Cost of coordination of all work with utility companies who may be affected by the project or who may be required to perform work simultaneously with the work of the Contractor, except as specified elsewhere in these Contract documents.

- (e) Cost of supporting and protecting all existing utilities and coordinating this work with utility representatives as noted elsewhere.
- (f) Cost of normal roadway maintenance on existing roads and streets which may be affected by the Contractor's operations for the duration of the Contract.
- (g) Cost of providing temporary signage and closure of trails during construction.

The City representative, at his sole discretion, may limit the type and/or size of any equipment used in order to protect the environment, public safety and / or the integrity of the work and / or adjacent facilities during the project. No claims by the Contractor for compensation for any losses resulting from a delay in construction will be considered.

20. UNBALANCED SUBMISSION AND DISCREPANCIES

Submissions that contain prices which appear to be unbalanced and likely to adversely affect the interests of the City may be rejected.

21. AWARD

The lowest or any Bid shall not necessarily be accepted.

Award of this Bid shall be as recommended by the designated City of Clarence-Rockland Department in conjunction with Procurement Services, and as approved by Council (if applicable), and conveyed as a PO by Procurement Services to the successful contractor or an executed agreement which has been signed by the City and the successful contractor.

Consideration for Award shall only be undertaken in relation to Bidders who are determined by the Owner to have satisfied all Bid Requirements.

The Owner hereby reserves the right, privilege, entitlement and absolute discretion, and for any reason whatsoever to:

- i. Accept a Bid which is not the lowest Bid submission, or reject a Bid that is the lowest Bid even if it is the only Bid received;
- ii. Cancel this Call for Bids at any time, either before or after the Closing Date and Time;
- iii. Accept the Bid deemed most favourable to the interests of the Owner or that may provide the greatest value advantage and benefit to the Owner based upon but not limited to the following criteria;
 - a) price
 - b) ability,
 - c) quality of Work, (guarantees and warranties)
 - d) service (service depot location)
 - e) past experience
 - f) past performance

- g) completion history (including extended completion dates)
- h) qualification
- iv. Accept or reject any and all Bids, whether in whole or in part;
- v. With the exception of Part I, Instructions to Bidders, waive any informalities, requirements, discrepancies, errors, omissions, or any other defects or deficiencies in any Bid Form or Bid submission;
- vi. Award any part of any Bid;
- vii. Accept or reject any unbalanced, irregular, or informal Bids; or
- viii. Reject any Bidder who is involved in litigation with The Corporation of the City of Clarence-Rockland.

22. EVALUATION OF BIDS

The Owner reserves the right to consider, during the evaluation of Bids

- i. Information provided in the Bid itself;
- ii. Information provided in response to enquiries of credit, experience and industry references set out in the Bid;
- iii. Information received in response to enquiries made by the Owner of third parties apart from those disclosed in the Bid in relation to the reputation, reliability, experience and capabilities of the Bidder;
- iv. The manner in which the Bidder provides services to others;
- v. The experience and qualification of the Bidder's senior management, and project management;
- vi. The compliance of the Bidder with the Owner 's requirements and specifications; or
- vii. Bidders with known poor safety records or with inadequate qualifications or equipment shall not be considered for Award.

The Bidder acknowledges that the Owner may rely upon the criteria, which the Owner deems relevant, even though such criteria may not have been disclosed to the Bidder. By submitting a Bid, the Bidder acknowledges the Owner 's rights under this Section and absolutely waives any right, or cause of action against the Owner and its consultants, by reason of the Owner 's failure to accept the Bid submitted by the Bidder, whether such right or cause of action arises in contract, negligence, or otherwise.

23. VERIFICATION OF SAFETY PERFORMANCE

Bidders for consideration of possible Contract award may be required to submit a recent copy of their NEER or CAD-7 Statement upon request.

24. BIDDER PROFILE

The Bidder shall submit, in addition to any information required to be included in a Bid Form submission, if requested, evidence of experience, ability, quality of Work,

service, past experience, and qualifications necessary to meet satisfactorily the requirements set forth or implied in the Bid Documents.

25. REQUIREMENTS UPON ACCEPTANCE

Prior to award, the recommended Bidder is required to submit the following in a form satisfactory to the City for execution within ten (10) business days after being notified by the City.

- i) Should the recommended Bidder either; attempt to withdraw their Bid, or fail to or refuse to execute the Contract and/or provide the necessary documentation, within the time specified, the recommended Bidders' Bid Deposit (if applicable) shall be forfeited and applied for use by the City.
- ii) The following documents, as listed, shall be submitted prior to or at the time of signing an agreement or prior to the issuance of a PO:
 - a) Insurance Certificate;
 - b) Contract Security
 - c) a current copy of the Workplace Safety and Insurance Clearance Certificate, and
 - d) Accessibility Standards for Customer Service Training Acknowledgement Form (see Section 6 – Appendices)
- iii) The Contract Security shall be kept in force throughout the duration of the Contract including the guarantee, warranty or maintenance period of the Contract and/or until the Contract is deemed complete by the City

26. BIDDERS INVOLVED IN LITIGATION WITH THE CITY OF CLARENCE-ROCKLAND

It is a matter of great importance to the City in the administration of this contract that the City's relationship with the successful bidder should be as productive, amicable and harmonious as is reasonably possible.

For the purposes of this section:

- (a) "Threatening Litigation" refers to the transmission of a written threat to commence a judicial proceeding; and;
- (b) "Pursuing Litigation" means actually commencing and / or continuing a judicial proceeding.

When:

- (i) A bid is received from a bidder who is threatening litigation or is pursuing litigation against the city in relation to previous contracts awarded to that bidder by the City; or,
- (ii) A bid is received from a bidder, against whom the City is pursuing litigation,

Active or pending litigation against the City by a vendor will prevent consideration of any bid submitted by that vendor. Each bidder expressly agrees in submitting a bid for this contract that, it shall have no claim for damages from the City in consequence of such rejection whether or not the litigation, or threatened litigation with the City which occasioned the rejection of the bid, has any merits, and whether or not it is successful or unsuccessful.

27. TRAINING REQUIRED ABOUT ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES

Section 6 of Ontario Regulation 429/07 (Accessibility Standards for Customer Service), made under the Accessibility for Ontarians with Disabilities Act, 2005, requires that the contractor (successful bidder/proponent) shall ensure that its employees, agents, volunteers, or others for whom it is at law responsible, receive training about the provision of the goods and services to persons with disabilities.

The training must be provided in accordance with the Regulation and shall include, without limitation:

- a review of the purposes of the Act and the requirements of the Regulation
- instruction about all matters set out in Section 6 of the Regulation.

This training is available to you on-line at <http://www.mcscs.gov.on.ca/mcscs/serve-ability/splash.html> . The on-line training takes about twenty minutes.

The contractor (successful bidder/proponent) will be required to provide a signed acknowledgement form to City of Clarence-Rockland Procurement Services that confirms their compliance with Section 6 of the Regulation.

28. NEGOTIATION (PRE CONTRACT AWARD)

In the event that all bids submitted exceed the Owners budget for the project, the Owner may negotiate changes in the scope of work with the Bidder submitting the lowest acceptable bid. Where included in the bid, unit prices shall be used to achieve the reduction. If a unit price is not provided, said change will be negotiated between the successful contractor and the Supply Manager and will be based on similar prices contained in the bid, the nature and scope of work, material required and hourly rate.

29. CHARACTER OF WORKERS

The reference to "workers" refers to workers of the Contractor and includes Corporate Officers.

The Contractor agrees to employ only orderly, competent, and skilful workers. Whenever the Municipality informs the Contractor in writing that any worker is, in its opinion, incompetent, unfaithful or disorderly, the Contractor will ensure that the worker in question is removed from the work and shall not be further employed on the Contract without the Municipality's written consent.

30. CONTRACT CANCELLATION

The Municipality shall have the right, which may be exercised from time to time, to cancel any uncompleted or unperformed portion of the work or part thereof. In the event of such cancellation, the Municipality and the Company may negotiate a settlement. The Municipality shall not be liable to the Company for loss of anticipated profit on the cancelled portion or portions of the work.

31. PUBLIC RELATIONS

The Contractor, as a representative of the Municipality must treat the public with the utmost respect. The Contractor shall advise the Municipality of all complaints received.

The Municipality will notify the Contractor of any complaints received regarding the unfavourable character or actions of workers in writing. The Municipality will assess the nature of the complaint and determine if corrective measures may be taken, or in the case of severe issues, whether the Contract should be terminated. The Municipality's discretion in this regard is final.

DEFINITIONS:

- 1) Award is when the contract has been signed by both the vendor and the City or a PO has been issued.
- 2) Bid is a Quote, Tender or Tender submitted to the City in response to a Bid Solicitation.
- 3) Bidder is a legal entity that submits a Bid.

- 16) Tender is a submission received in response to a Request for Tender.
- 17) Vendor is a supplier / seller of Goods and/or Services.

1. CITY NOT BOUND

The City reserves the right to accept or reject any or all Bids, in whole or in part, to accept a Bid other than the lowest and/or to NOT accept any Bid for any reason whatsoever, and to accept any Bid if, upon evaluation analysis, it is considered to be in the City of Clarence-Rockland's best interest. Award of the contract in its entirety or in part shall be in accordance with City of Clarence-Rockland requirements.

2. ERRORS AND OMISSIONS/ MATHEMATICAL ERRORS (Unit Prices Prevail)

Should there be any error in extensions, additions or computations, The City of Clarence-Rockland shall be entitled to correct such errors based upon the unit prices supplied, and the corrected total shall be considered as representing the intention of the bidder, and shall be used as the basis for comparison of bid submissions.

The City shall not be held liable for any errors or omissions in any part of this RFT. While the County has used considerable effort to ensure an accurate representation of information in this RFSO, the information contained in the RFT is supplied solely as a guideline for Proponents. The information is not guaranteed or warranted to be accurate by the City, nor is it necessarily comprehensive or exhaustive.

3. OWNERSHIP OF SUBMISSION MATERIAL

In consideration of the right to bid being offered, the bidder (by responding) releases all rights to the bid documents, which, on acceptance by Procurement Services, become the property of the City of Clarence-Rockland.

4. INCURRED COST

The City of Clarence-Rockland will not be liable, nor reimburse any bidders for costs incurred in the preparation of bids, or any other services that may be requested as part of the bidding process.

5. TAXES AND DUTY

- i) The City is subject to payment of Provincial and Federal (excise and H.S.T.) taxes imposed by the Provincial and Federal Governments. Should there be any approved variation in any tax or duty imposed by the Province of Ontario or the Government of Canada which becomes directly applicable to the goods/services or construction to be procured or provided during the term of this contract, the Bidder and the City mutually agree to allow the appropriate increase or decrease in the prices as of the date they become effective. The onus is on the Bidder to bring to the City's attention any such changes.
- ii) The Bidder shall allow in their prices for all Sales Taxes that may be required to pay on materials and equipment to be utilized or expended in construction and other works. Exception being; where the Bidder is in the position to claim for Sales Tax Rebates or input Tax Credits (ITCs) on the material used.
- iii) The Total Bid price shall be deemed to be inclusive of all Duties, Federal and Provincial taxes applicable to the vendor's charges to the City.

- iv) It is the Bidder's responsibility to investigate and otherwise familiarize themselves with all applicable Federal and Provincial tax laws as they relate to the specifications, and include related costs and the effect of available rebates / ITCs accordingly in the charges for all options.

6. NON-RESIDENTS

Canada Revenue Agency (CRA) Regulation 105, regarding Withholding Tax, is applicable to payments made to non-residents who provide their services in Canada. Further information on the income tax filing requirements for non-residents may be obtained on the CRA website www.cra.gc.ca and in the CRA guide T4058, Non-Residents and Income Tax:

Federal Withholding Tax regulations require that the City withhold 15% from amounts paid to non-resident contractors for services provided in Canada, unless a waiver has been provided. These amounts are remitted to the Canada Revenue Agency (CRA) and are considered a "payment on account" of the non-resident's Canadian tax liability. Non-residents may apply to CRA for a waiver or reduction of the Withholding Tax.

7. GOVERNING LAW

The obligations of the parties and resolutions of any disputes shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada, both as to interpretation and performance, and shall be treated, in all respects, as an Ontario contract. The parties shall attorn to the exclusive jurisdiction of the courts of the Province of Ontario.

8. COPYRIGHT

The copyright for respective procured concepts and/or materials will become the property of the City of Clarence-Rockland unless otherwise mutually agreed upon by the successful Bidder and the City.

9. ABILITY AND EXPERIENCE OF BIDDERS

The City reserves the right to reject any BID unless the bidder is known to be skilled and regularly engaged in work of a character similar to that covered by the specifications of the work. The City also reserves the right to reject a Bid submitted by a bidder who has defaulted on, or failed to satisfactorily complete, other similar work in the past.

In order to aid the City in evaluating submissions, it may be necessary for each bidder to supply the City with additional information as specified in any special conditions. These may include, but not be limited to, references for similar work, background, a list of equipment to be used, or evidence of appropriate licences, evidence of financial stability.

10. FREEDOM OF INFORMATION

All information supplied to the City in this document becomes the property of the City of Clarence-Rockland and is subject to the provisions of the Municipal Freedom of Information and Protection of Privacy Act.

The names and bid amount of all bidders will be disclosed in accordance to our Procurement By-law.

Bidders agree that all documentation and information contained in any Bid Submission become the property of the City of Clarence-Rockland and as such, may be subject to disclosure under the terms of the *Municipal Freedom of Information and Protection of Privacy Act*. Although the City of Clarence-Rockland can in no way be responsible for any interpretation of the provision of this Act, if any Bidder believes any part of its Bid Submission reveals any trade secret of the Bidder, any intellectual property right, scientific, technical, commercial, financial or labour relations information, or any other similar secret, right or information belonging to the Bidder and if the Bidder wishes the City of Clarence-Rockland to attempt to preserve confidentiality of same, the particular trade secret, property right or information should be clearly designated as confidential.

11. WORKPLACE SAFETY AND INSURANCE BOARD

The Contractor shall provide the municipality with a current "Clearance Certificate" from the Workplace Safety and Insurance Board and the municipality may, at any time during performance of the contract or upon its completion, require a further declaration that assessments or compensation required to be paid pursuant to the Workers' Compensation Act have been paid.

Safety in the workplace is accomplished by:

- removal of, or safeguarding against, environmental health and physical hazards,
- establishment of safe working practices,
- provision of safety devices,
- provision, use and maintenance of personal protective devices,
- provision and participation in appropriate training
- Compliance with the Occupational Health and Safety Act and Regulations.

If the successful Proponent is a self – employed individual, partner or executive officer who does not pay WSIB premium and is recognized by WSIB as an 'independent operator' must provide a letter from WSIB acknowledging independent contractor status confirming that WSIB cover is not required prior to commencement of work.

12. INSURANCE/Indemnification

The Contractor shall indemnify and hold harmless the City, its officers, council members, partners, agents and employees from and against all actions, claims, demands, losses, costs, damages, suits or proceedings whatsoever which may be brought against or made upon the City and against all losses, liabilities, judgments, claims, suits, demands or expenses which the City may sustain, suffer or be put to resulting from or arising out of the Contractor's omissions, or failure to exercise reasonable care, skill or diligence in the performance or rendering of any work or service required hereunder to be performed or rendered by the Contractor, its agents, officials and employees. This indemnification shall include any legal costs incurred by the City on a substantial indemnity basis, including those incurred to defend any criminal prosecutions against the City resulting from the actions of the Contractor.

The Contractor, during the term of the contract, at its expense, shall take out and keep in full force and affect the following insurance policies:

- a. **Commercial General Liability insurance** insuring all services, operations, products, and work as described in the contract. The policy will be extended to include bodily injury, property damage, personal injury and advertising injury,

contractual liability, products- completed operations, contingent employer's, and owners and contractors protective liability to a limit of not less than five million dollars (\$5,000,000) per occurrence.

The policy shall include a cross liability and severability of interest clause and be endorsed to name The Corporation of the City of Clarence-Rockland as an additional insured;

- b. **Non-owned automobile insurance** to a limit of not less than one million dollars (\$1,000,000) and;
- c. **If applicable, automobile insurance (OAP1) for both owned and leased vehicles** with inclusive limits of not less than one million dollars (\$2,000,000).

All policies of insurance shall:

- (i) be written with an insurer licensed to do business in the Province of Ontario;
- (ii) contain an undertaking by the insurers to notify the City of Clarence-Rockland in writing not less than thirty (30) days prior to any termination or cancellation of coverage unless otherwise required by law;
- (iii) be non-contributing with and will apply only as primary and not excess to any other insurance or self-insurance available to the City of Clarence-Rockland and
- (iv) any deductible amounts will be borne by the Contractor.

Upon notification of intent to award the Contract and within ten (10) business days, the Contractor shall provide to the City of Clarence-Rockland proof of insurance on a form of a certificate of insurance which has been signed by an authorized representative of the insurer which references the appropriate bid number. The Contractor will make available complete certified copies of all applicable insurance policies for examination if required by the City.

Certificates of Insurance evidencing renewal or replacement of policies shall be delivered to the City within fifteen (15) business days prior to the expiration or replacement of the current policies, without demand by the City.

The City reserves the right to require the Contractor to purchase such additional insurance coverage as the City may reasonably require. The City reserves the right to request such higher limits of insurance or otherwise alter the types of insurance coverage requirements as the City may reasonably require from time to time.

It shall be the sole responsibility of the contractor to determine what additional insurance coverage and limits are necessary to fulfill its obligations in accordance to the contract.

13. INSURANCE CLAIMS

Claims or alleged claims received by the Contractor shall be dealt with immediately by the Contractor.

- (a) The Contractor shall retain an independent adjuster who will determine the Contractor's liability for all third party claims, and advise the claimant in writing of the determination of liability within sixty (60) days of service of the

claim on the Contractor. Copies of such determination of liability shall be forwarded to the City of Clarence-Rockland.

- (b) If the Contractor or the Contractor's independent adjuster fails to respond within the time noted in (a) or responds in a manner inconsistent with the evidence at hand, the City of Clarence-Rockland reserves the right to have another independent adjuster review the claim and determine liability therefore. Any monies incurred by the City of Clarence-Rockland to investigate, defend and satisfy any third-party claim where it was determined that the Contractor was liable will be deducted from monies owing to the Contractor by the City of Clarence-Rockland.
- (c) If a claim is settled to the satisfaction of the Claimant, the Contractor shall provide the City of Clarence-Rockland with a copy of the Claimant's Release. The Claimant's Release shall cover the interests of the Contractor and The Corporation of the City of Clarence-Rockland, its employees, agents and anyone for whom it is in law responsible.

14. DEFAULT

In the event that the successful bidder fails to properly, promptly, and fully carry out the work required by these documents, the City reserves the right to notify the successful bidder to discontinue all work under this contract, to advertise for new Bids or carry out the work in any way as the City may, at its sole discretion, deem best. The bidder further agrees to save and hold harmless the City of Clarence-Rockland and/or its officers, agents, or servants from all loss, damage, liability, cost, charge or expense whatsoever which it, they or any of them may suffer, incur or be put to by reason of such default or failure.

15. TERMINATION

In the event that the contractor fails to comply with any provision of this agreement or otherwise fails to perform its obligations hereunder in a competent manner satisfactory to the City, the City may give the contractor notice in writing of such failure. In the event that the contractor has not remedied its failure within ten (10) days of the said notice, the City shall be entitled to exercise any one or more of the following remedies:

- a) The City may terminate the contract without further notice, and exercise its rights to the performance security provided by the contractor;
- b) The City may withhold any payment due to the contractor hereunder until the contractor has remedied its failure;
- c) The City may engage the services of another contractor to remedy the contractor's failure, and obtain reimbursement therefore from the original contractor. The said reimbursement may be obtained either through deduction from any amounts owing to the contractor hereunder, or through any other legal means available to the City; or
- d) The City may assert any other remedy available to it in law or equity.

Unless the City expressly agrees to the contrary, any failure of the City to exercise any of the foregoing remedies, or the granting of any extension or indulgences, shall not be prejudicial to any right of the City to subsequently obtain such remedies.

16. SUSPENSION OF BIDDERS

At the discretion of Procurement Services, any Bidder may be suspended from

consideration of their Bids for up to 3 years for default of delivery, unsatisfactory performance, safety concerns, lobbying and contravention of a Bid Solicitation document.

17. SKID AND DRUM DEPOSITS

If returnable skids, drums or reels are supplied, the Vendor must indicate if an extra charge applies and if this is fully refundable. The Corporation prefers that the Vendor pick up skids, drums or reels when empty with no deposit or demurrage charge.

18. INSPECTION

All shipments shall be subject to final inspection after receipt by the City at destination. Delivery to the City is not to be an acceptance unless inspected and approved by the City and subject to rejection based upon:

- a) defective products or workmanship discovered within one year of the date of receipt
- b) latent defects, frauds and mistakes

19. REJECTION

19.1 If any of the goods are found at any time to be defective in material, workmanship, quality, quantity or otherwise not in strict conformity with the specifications or requirements of the original Bid request and any subsequent order, the City in addition to any rights to which it may have under warranties or otherwise shall have the right to reject and return such goods for full credit. All freight charges are to be at the Vendor's expense.

19.2 Without limiting the foregoing right of rejection, the City shall have the right to require prompt replacement, repair or correction of defective work or goods at the risk and expense. If the Vendor is unable or unwilling to effect such replacement, repair or correction the Corporation may do so by using its own workers, goods or facilities or by outside contract and shall be entitled to charge the original Vendor for excess costs directly or indirectly occasioned thereby.

20. VENDOR RESPONSIBILITIES

20.1 It is mutually agreed and understood that the Vendor shall not assign, transfer, convey, sublet or otherwise dispose of the Tender, or Contract or the right, title or interest therein, or the powers to execute the same, without the previous written consent of the City.

20.2 Acceptance of a purchase order issued by the City for a bid or any part of a bid shall constitute a contract between the City and the Vendor which shall bind the Vendor on his part to furnish and deliver the goods or services at the prices given and in accordance with the conditions of the bid and these Standard Terms and Conditions.

21. SUPPLIER'S CONDUCT AND CONFLICTS OF INTEREST

The City expects its suppliers to act with integrity and conduct business in an ethical manner.

- 21.1 The City may refuse to do business with any supplier that:
- a) has engaged in illegal or unethical bidding practices;
 - b) has an actual or potential conflict of interest;
 - c) has an unfair advantage in the procurement process; or
 - d) fails to adhere to ethical business practices.
- 21.2 All suppliers participating in a procurement process must declare any perceived, possible or actual conflicts of interest.
- 21.3 Where a supplier is retained to participate in the development of a solicitation document or the specifications for inclusion in a solicitation document, that supplier will not be allowed to respond, directly or indirectly, to that solicitation document.
- 21.4 Illegal or unethical bidding practices include:
- a) bid-rigging, price-fixing, bribery or collusion or other behaviours or practices prohibited by federal or provincial statutes;
 - b) attempting to gain favour or advantage by offering gifts or incentives to City officers and employees, members of Council or any other representative of the City;
 - c) lobbying members of Council or City officers and employees or engaging in any prohibited communications during a procurement process;
 - d) submitting inaccurate or misleading information in response to a procurement opportunity; and
 - e) engaging in any other activity that compromises the City's ability to run a fair procurement process.
- 21.5 The City will report any suspected cases of collusion or other bid-rigging offenses under the Competition Act to the Competition Bureau or to other relevant authorities.
- 21.6 In providing goods, services or construction to the City, suppliers are expected to adhere to ethical business practices, including:
- a) performing all City contracts in a professional and competent manner and in accordance with the terms and conditions of the contract;
 - b) complying with all applicable laws, including safety and labour codes (both domestic and international as may be applicable);
 - c) ensuring that fair wages are paid to suppliers' employees; and providing workplaces that are free from harassment or discrimination of any kind.

22. OCCUPATIONAL HEALTH AND SAFETY ACT (OHSA) REQUIREMENTS

The following requirements and conditions shall be included in all agreements with Contractors (and sub-Contractors) engaged by or on behalf of the City:

- Contractors with known poor safety records or with inadequate qualifications or equipment will not be considered for award;
- Contractors acknowledge that they regularly read and understand the Occupational Health and Safety Act R.S.O. 1990, C. 0.1 (“OHSA”) and regulations, made under that statute;
- the Contractor shall comply with all health and safety requirements established by the Occupational Health and Safety Act and regulations. Any such requirements established by the City shall be included in the Bid Documents and the Contractor agrees to assume full responsibility for the enforcement of same;
- the Contractor shall participate in a pre-project meeting to verify its full understanding of the major contractual requirements and expectations in the area of health and safety before the start of any work;
- the Contractor shall allow access to the work site on demand to representatives of the City provided that they are in full compliance of the Occupational Health and Safety Act and Regulations;
- the City will take all action necessary to support the Contractor’s health and safety efforts and to ensure that the City-owned and controlled environments in the vicinity of the project are free from hazards;
- the Contractor acknowledges and agrees that any serious breach or breaches of health and safety requirements, whether by the Contractor or any of its Subcontractors may permit the City to elect to cancel the Contract; and
- the Contractor acknowledges and agrees that any damages or fines that may be assessed against the City by reason of a breach or breaches of the OHSA by the Contractor or any of its Subcontractors will entitle the City to set-off the damages so assessed against any monies that the City may from time to time owe the Contractor under the Contract or any other contract whatsoever

The Contractor shall provide a list of all controlled hazardous materials or products containing hazardous materials, all physical agents or devices or equipment producing or emitting physical agent(s) and any substance, compound, product or physical agent that is deemed to be or contains a designated substance in accordance with the Workplace Hazardous Materials Information System (WHMIS) as defined under the OHSA and shall provide appropriate Material Health and Safety Data Sheets for these substances used for the performance of the required work, all prior to the performance of said work.

Where hazardous materials, physical agents and/or designated substances are used in the performance of the required work, the Contractor shall ensure that the requirements of the OHSA and associated regulations are complied with.

The Contractor shall follow Workplace Hazardous Materials Information Systems (WHMIS) requirements and ensure all employees are given required training and support.

The Contractor shall have a clearly defined safety plan/rescue plan for its workers involved in hazardous activities. This plan shall include, but not be limited to, The Contractor agrees at all times to comply with Occupational Health and Safety Standards in the workplace and further agrees to adhere to Health and Safety Standards set out in applicable statutes and regulations and to comply with written Health and Safety Policies of the City.

23. TOXIC AND HAZARDOUS SUBSTANCES

If the Successful Contractor encounters unidentified toxic or hazardous substances at the Place of the Work, or has reasonable grounds to believe that unidentified toxic or hazardous substances are present at the place of the Work, the Successful Contractor shall take all reasonable steps, including stopping the Work to ensure that no person suffers injury, sickness or death, and that no property is injured or destroyed as a result of exposure to the presence of the substances, and immediately report the circumstance to the City in writing.

24. LICENCES AND PERMITS

The successful bidder will be responsible for applications and fees associated with any and all **licences and permits** required by any and all governing bodies unless otherwise stipulated in the bid request document. A copy of all permits, and any other required documentation will be forwarded to the City's designate for City records.

25. EVIDENCE OF QUALITY

It is the bidder's responsibility to prove their product/service quality meets the City of Clarence-Rockland's requirements and bidders may be required to submit evidence in a form acceptable to the City. Substitution of materials equipment or methods different from that outlined in the specifications / terms of reference will not be accepted unless provided for within the bid request document or without the written approval of the City of Clarence-Rockland.

26. LABOUR DISPUTES

The obligations of the successful bidder hereunder shall continue unchanged throughout the occurrence of any labour disputes (including strike or lockout), whether the same occurs with respect to the employees of the City, the contractor, or otherwise.

27. GUARANTEED MAINTENANCE AND WARRANTY

27.1 Upon completion of the Work, the Contractor shall maintain the Work for a warranty period of *Twelve (12) Months* after the date of substantial completion to the satisfaction of the City/or Consultant, if any, both acting reasonably. The Contractor shall correct any imperfections due to material or workmanship. The decision of the City/or Consultant, if any, both acting reasonably, as to the nature and cause of any imperfections and the necessity for the type of repair shall be final. If the Contractor fails to comply with the direction from the City/or Consultant, if any, both acting reasonably, within fifteen (15) Calendar Days or immediately in the case of an emergency the City/or Consultant, if any, both acting reasonably, may proceed under the Performance Bond may draw upon it and complete the required work at the Contractor's expense.

27.2 The warranty given pursuant to this section shall not limit extended or other warranties on any items of equipment or material called for elsewhere in the Contract.

- 27.3 The Contractor shall, before final payment is applied for, to the extent permitted by the manufacturer and supplier, assign to the City the benefit of any warranty by any manufacturers or suppliers in addition to the warranty as mentioned above.

28. EXISTING SERVICES

The position of utility pole lines, underground conduits and services, water mains, sewers and other underground and over ground utilities and structures are not necessarily known, and the accuracy of the position of such utilities and structures on any reference documents is not guaranteed. The City of Clarence-Rockland will not be responsible for damages or extra work caused or occasioned by the Contractor relying on this or any other information or records.

Before starting work, the Contractor shall familiarize himself of the exact location of all such utilities and structures and shall assume all liability for damage to them. Where extra measures are required to support utility poles during construction either by the utility involved or the contractor himself, the costs involved shall be borne by the Contractor. The contractor will be responsible for any fees that may be associated with these services.

29. INSPECTION AND CONTROL OF SITE

CITY'S INSPECTION AND SUPERVISION – A representative of the City (appointed by the City) reserves the right to enter the site at any time for the purpose of review & inspection. The presence of a said representative does not indicate satisfaction or compliance unless these comments are made by the representative and submitted to the contractor in written form.

30. PROVISIONS FOR TRAFFIC CONTROL (ONTARIO TRAFFIC MANUAL BOOK 7)

The Contractor shall be responsible for the preparation and implementation of a traffic management and control plan as specified in the Ontario Traffic Control Manual Book 7 for roadway work operations, as per the Ontario Ministry of Transportation.

The Contractor shall supply all labour, sign, delineators, etc., set and maintain required detours at work sites, conforming to the latest edition of the manual of Uniform Traffic Control Devices.

The Contractor shall provide vehicular access at all times to all properties with existing access. Where blocking of access is unavoidable, the Contractor shall notify the residents affected, give 24 hrs notice and shall work to keep the period of inconvenience to a minimum.

Survey units shall be equipped with sufficient safety lights (flashing or strobe, and/or arrow boards) barricades and signs which may be required for complete control of both pedestrian and vehicular traffic in accordance with the MTO Manual for highway operation, Ontario Manual of Uniform Traffic.

The Contractor shall provide for safe pedestrian movement from all houses and Businesses along the site. Walkways shall not be obstructed at any time.

No work shall be performed on major arterial roads during Rush Hour Traffic (7 – 9 a.m. and 3 – 6 p.m.) without the written consent from the City's Project Lead.

The Contractor's traffic control plans must meet all the requirements of the Ontario Ministry of Labour and the Occupational Health and Safety Act.

The Contractor must keep all completed traffic control plans on the truck and copies of the major traffic control plans must be submitted to the City with the biweekly deliverables.

The Project Lead, as an agent of the City of Clarence-Rockland, reserves the right to suspend any on-going works that do not meet the requirements outlined in the Contract.

31. EMERGENCY AND MAINTENANCE

The care of the works until completed, delivered to and accepted by the City rests solely with the Successful Contractor who shall assume all risk of damage to the work.

For the purpose of Emergency and Maintenance measures, the name, address, and telephone number of a responsible official of the contracting firm shall be given to the City's contact person in charge of the project. This official shall be available at all times and have the necessary authority to mobilize workers and machinery and to take any action as directed by the City in the event emergency or maintenance measures are required, regardless of the fact that the emergency or requirement of maintenance may have been caused by the Successful Contractor's negligence, Act of God, or any cause whatsoever.

Should the Successful Contractor be unable to carry out the required immediate remedial measures, the City may carry out the necessary repairs and the costs for this work shall be deducted from payments due to the Successful Contractor.

32. ENVIRONMENTAL SUSTAINABILITY

The City of Clarence-Rockland is committed to preserving the environment and reserves the right to encourage the procurement of supplies and services with due regard to the preservation of the natural environment and to integrate sustainability considerations into product selection so that negative impacts on society and the environment are minimized throughout the full life cycle of the products; suppliers may be selected to supply goods made by methods resulting in the least damage to the environment, and/or to supply goods incorporating recycled materials where practical. Bidders are encouraged to include certified green product alternatives wherever possible with proof of third party certification (i.e. EcoLogo, Green Seal, Energy Star) for each product proposed. It is to be understood that total lifecycle cost analysis may be required to ensure that these supplies and services are financially viable and available at competitive prices.

33. SPECIALIZED EQUIPMENT

The Contractor shall utilize appropriate types and sizes of equipment so as to not increase the risk of damage to existing sewers, water mains, utilities, trees or any other existing feature not mentioned that will be encountered over the course of the project.

34. MAINTENANCE OF EXISTING ROADS

The Contractor shall be responsible for keeping roadways adjacent to the site free and clean from mud, dirt and other debris originating from the work site. All dirt and debris deposited by construction traffic on existing City streets shall be cleaned up by the Contractor at his own expense on a daily basis, or as directed by the City representative.

35. VEHICLE AND EQUIPMENT ACCESS

The Contractor will be responsible for all signing, barricading, etc., in accordance with the MTO's Manual of Uniform Traffic Control Devices adjacent to the actual work area.

36. COMPLETION DATE – Liquidated Damages

All of the painting except the new construction or the resurfacing done by the City must be completed by July 31st of each contracted years. (2017/2018/2019)

If this limit above specified is not sufficient to permit completion of the work by the Contractor working a normal number of hours each day or week on a single day-light shift basis, it is expected that additional and/or augmented day-light shifts will be required throughout the life of the Contract to the extent deemed necessary by the Contractor to ensure that the work will be completed within the time limit specified. Any additional costs occasioned by compliance with these provisions will be considered to be included in the prices bid for the various items of work and no additional compensation will be allowed therefore.

If the Contractor is delayed in the completion of the work,

- by reason of changes or alterations made under Section 6 Specifications;
- by reason of any breach of contract or prevention by the City, or other Contractor of the City or any employee of any one of them;
- by reason of delay by the City in issuing instructions or information or in delivering materials;
- by any other act or neglect of the City or any other Contractor of the City or any employee of any one of them;
- for any cause beyond reasonable control of the Contractor; OR,
- by Acts of God, or of the Public Enemy including Terrorist Acts, Acts of the Province or any Foreign State, Fire, Floods, Epidemics, Quarantine Restrictions, Embargoes or delays of Sub-Contractors due to such causes;

The time of completion shall be extended in writing at any time on such terms or for such period as shall be determined by the City representative, and notwithstanding such extensions, time shall continue to be deemed of the essence of this Contract.

An application by the Contractor for an extension of time as herein provided shall be made to the City in writing on the form prescribed at least 15 days prior to the date of completion fixed by the Contract. All bonds or other surety furnished to the City by the Contractor shall be amended where necessary at the expense of the Contractor to provide coverage beyond the date of any extension of time granted, and the Contractor shall furnish the City with evidence of such amendment of the bonds or other surety.

Any extension of time that may be granted to the Contractor shall be so granted and accepted without prejudice to any rights of the City whatsoever under this Contract, and all of such rights shall continue in full force and effect after the time limited in this Contract for the completion of the work.

It is agreed by the parties to the Contract that in case all the work called for under the Contract is not finished or completed within the date of completion specified previously, damage will be sustained by the City, and that it is and will be impracticable and extremely difficult to ascertain and determine the actual damage which the City will sustain in the event of and by reason of such delay and the parties hereto agree that the Contractor will pay to the City the sum of five hundred (\$500.00) DOLLARS per day for liquidated damages for each and every calendar days delay in finishing the work beyond the date of completion prescribed and it is agreed that this amount is an estimate of actual damage to the City which will accrue during the period in excess of the prescribed date of completion.

The City may deduct any amount under this paragraph from any monies that may be due or payable to the Contractor on any account whatsoever. The Liquidated Damages payable under this paragraph are in addition to and without prejudice to any other remedy, action or other alternative that may be available to the City.

37. WORK SCHEDULE

The Contractor shall submit a detailed work schedule, for approval by the City representative, seven (7) days in advance of commencement of construction, showing the timing of the Contract.

A meeting will be held as soon as practical after Council approval of the award of tender with representatives from the City, the General Contractor and the City representative (if applicable) to discuss the following:

- Review the contractor's schedule with respect to work methodology and estimated completion dates for the various portions of the work.
- Review safety procedures and operational constraints to establish strict guidelines for work areas, delineation of haul routes, etc., to ensure safe and practical grading and servicing operations.
- Review coordination procedures regarding traffic control, protection of the environment and the public.

The City and the Contractor agree that for this Contract, in the event the work is ordered to commence earlier or later than the commencement date, the completion date will be adjusted by the same number of Working Days.

The City representative reserves the right to request of the Contractor to work on Saturdays, and/or later hours in order to complete the work within the scheduled time periods. There will be no additional compensation for overtime hours worked.

Should the Contractor, through his own fault (or neglect of this Contract and Specifications) fail to meet the schedules or working day periods allowed above, the Liquidated Damages may be assessed after careful consideration of the facts by the City representative. The amount assessed as 'Liquidated Damages' on this Contract is defined further in Item 50 above.

38. CONTRACT AND VENDOR REQUIREMENTS

The vendor hereby covenants and agrees that if their Tender or any part thereof is accepted by the Corporation, they:

- a) Shall **perform** the contract in accordance with the specifications, terms and conditions under which it is awarded.
- b) Shall use due care that no person is injured and that no property is damaged in the performance of the work.
- c) Shall not, except with the consent of the City in writing, release information relating to any subsequent order for **advertising**, promotional or technical purposes or otherwise give it publicity in any fashion, nor shall the name of the City be used for, or in connection with, any advertising or promotional purpose of the Vendor.
- d) Vendors are to treat information gained while working with the City confidentially and not use it for any other project and return it to the City if requested with no copies to be retained.
- e) Shall provide a complete list of all controlled products, hazardous materials, products containing hazardous materials, and all biological or chemical agents or devices or equipment producing or emitting a physical agent and any substance, compound, product or physical agent that is deemed to be, or contains, a designated substance as defined under the Act and the Regulations, which will be supplied or used in the work, before commencing. The Vendor/contractor shall provide appropriate information and Material Safety Data Sheets, where required, with the shipment
- f) Shall ensure that contractors, sub-contractors and all of their employees are trained in W.H.M.I.S.

39. INVOICE REQUIREMENTS

The Contractor will submit to the City of Clarence-Rockland, Finance – Accounts Payable, an invoice for payment at the completion of work.

All applicable taxes are to be itemized separately on invoices, i.e. H.S.T.

40. PAYMENT TERMS

The City of Clarence-Rockland follows a policy whereby in the absence of prompt payment discount terms, all invoices from vendors will be paid on a Net 30 basis; that is payments will be made by the City within 30 days of receipt of invoice, or the acceptance of the goods and services, whichever date is later. Payment may be delayed if the goods and / or services are not acceptable to the Corporation

41. CONSTRUCTION SIGNS

Signs and/or proper traffic control devices are to be provided by the Contractor in accordance with the General Conditions of the Contract. Signs will be constructed in accordance with the Standards set out in the manual published by the Ministry of Transportation, Ontario, Book 7.

If the Contractor fails to comply with the direction from the City/or Consultant, if any, both acting reasonably, the City may proceed under the Performance Bond, and draw upon it and complete the required work at the Contractor's expense.

42. CLEAN UP

The Contractor, at the request of the City's Public Works Department, will thoroughly remove materials along the shoulders of the road, as may have occurred during and because of the performance of the work.

The Contractor will keep the premises clean at all times and on completion of work will remove all surplus materials, tools, equipment and debris, and leave the site in a clean and tidy condition to the complete satisfaction of the Corporation.

43. SPILLS REPORTING

Spills or discharges of pollutants or contaminants under the control of the Contractor, and spills or discharges of pollutants or contaminants that are a result of the Contractor's operations that cause or are likely to cause adverse effects will forthwith be reported to the City's representative. . Such spills or discharges and their adverse effects will be as defined in the Environmental Protection Act, R.S.O. 1990.

This reporting will not relieve the Contractor of his legislated responsibilities regarding such spills or discharges.

44. C.V.O.R.

The Contractor will be known as the "Operator" with regard to C.V.O.R. (Commercial Vehicle Operator Registration) legislation as defined in the Highway Traffic Act.

TENDER SPECIFICATIONS (OPSS 710)

Equipment

- (i) The equipment to be used for the application of pavement markings shall be as recommended by the manufacturer of the respective pavement marking material.
- (ii) Spray equipment shall be used for the application of solvent based traffic paint, water-borne traffic paint, thermoplastics and field reacted polymeric material recommended for spray application. Spray equipment shall be fabricated from materials that will not contaminate the traffic paint and other pavement marking materials.
- (iv) The spray equipment shall provide a uniform stripe to the required width and thickness, with sharp edges without excessive splatter or overspray. The equipment shall have capability to provide pavement markings conforming to the MUTCD. The equipment shall be provided with a glass bead dispenser to apply overlay glass beads at the recommended rate.

Application of Material

- (i) All pavement markings shall be accurately spaced and present a clean-cut, uniform appearance during either the day or night.
- (ii) **The application of pavement marking materials shall conform to the following requirements and the manufacturer's recommendation, OPSS 710.**
- (iii) 710.07.09.02 Organic Solvent Based Traffic Paint:
Paint shall be applied when the pavement surface temperature is 5°C and above, unless otherwise approved in writing by the Authority. Paint shall be applied at a rate which results in a uniform thickness of 230 ± 25 microns dry film. Reflectorizing glass beads, **conforming to OPSS 1750**, shall be applied uniformly at a rate as shown below, immediately after paint application, to ensure embedment of the glass beads.

Overlay glass beads shall not be applied on the black paint which is used for obliterating previous markings.

Rate of Application for Overlay Glass Beads per litre of Traffic Paint	Glass Beads
% Volume Solids of Traffic Paint	Required in KG
40-56	0.7
57-70	0.8

The paint temperature shall be between 40°C and 70°C when applied to the pavement, 710.07.09.03 Water-Borne Traffic Paint

- (iv) Only Low VOC Acetone Acrylic paint shall be used for the prescribed work.

Supply of material

All materials necessary for the proper completion of the work will be supplied by the Contractor and the payment provided in the Contract will be deemed to include full compensation for the supply of such material.

It shall be the Contractor's responsibility to obtain the latest applicable revisions of the following Ontario Provincial Standard Specification (OPSS) as well as others mentioned within the contract documents.

OPSS 180 – General Specification for the Management of Excess Materials

OPSS 706 – General Specification for Traffic Control Signing

OPSS 710 – General Specification for Pavement Marking

OPSS 1716 – Material Specification for Water-Borne Traffic Paint

OPSS 1750 – Material Specification for Traffic Paint ReflectORIZING Glass Beads

Work under this specification shall include the supply and application of traffic paint including reflectorizing material, traffic protection and all labour and material to carry out the traffic marking to the centerline and shoulders of the Corporation.

The provision of OPSS 706 shall apply except as amended or extended herein. All traffic control, procedures and devices shall be provided by the Contractor and conform to the requirements of the most recent version of the following references:

The Ministry of Transportation's "Ontario Traffic Manual (OTM) Books 7 and 11"

Canadian General Standards Board, Standard 62-GP-11 – "Reflective Materials and surface".

Work to be done to MTO standards (Manual of Uniform Traffic Control Devices). Beads to be applied by separate follow-up air pressure application. Beads and paint suppliers must be on MTO approved list. Contractor will supply paint and beads meeting MTO specifications and shall also meet the new Canadian VOC regulations.

- A) The City will only pay for roads actually pre-marked at bid rate per meter for new pavement sites. Pre-marking consists of physically measuring and establishing directional dividing lines which include single solid lines, single broken lines, double solid lines and single, solid, yellow line paired with a single, broken, yellow line as per OTM Book 11.
- B) No payments will be given for return trips. Some return trips may be required after different construction projects are completed.
- C) A schedule of work shall be submitted after the award of the contract in order for the City to sweep the roads and/or intersections prior to painting. Furthermore, the successful bidder shall advise a representative of the City prior to every day of work so that a foreman can go on site for verification. This will be strictly enforced. Should the contractor not contact the City prior to doing any work, none of the performed work will be paid for.
- D) The approximate total line painting for this contract is 112,205 km of white and yellow lines combined. Most of the work to be done in Rockland is recommended to be during the night hours to avoid having traffic interfering with your work.
- E) The City inspectors will verify the applied quantities but will not regulate the rate of application

- F) The Tender must be legible and **ALL ITEMS MUST BE BID** with the unit prices for every item and other entries being fully clear. Tenders which are incomplete, unbalanced, conditional or obscure, or which contain erasures or alternations not properly initialled, or irregularities of any kind, may be rejected as informal or void.
- G) While invoicing, the Contractor shall clearly identify as per the Tender the quantities and work performed on each street. A daily report identifying quantities and locations shall be supplied in order for the City to follow the progression of the works and to confirm invoicing and progress payments. The report shall be submitted to the City's area foreman on the next day of the work completed. Should the contractor not follow these procedures, performed work **shall not** be paid for.
- H) Due to the volume, type and speed of vehicles on different type of road, the Contractor will take the necessary precautions while applying the paint & beads for and shall include for these precautions in his tendered price for the specific items. Precautions will include but will not limit to such matters as a "crash truck" or advanced warning truck or any other traffic control device that will help secure the safety of the employees doing the work. Also the contractor shall perform work without stopping traffic and shall have with him a traffic control plan at all time.

The Bidder declares that:

- a) No persons, other than the Bidder, have any interest in this RFT or in the Contract proposed to be entered into.
- b) This Submission is made without any connection, knowledge, comparison of figures, or arrangement with any other person or persons making a Submission for the same work, and is in all respects fair and without collusion or fraud.
- c) The several matters stated in the said Submission are in all respects true.
- d) The Bidder has carefully examined the locality and site of the proposed works, as well as all the RFT Documents, and hereby accepts the same as part and parcel of this submission, and does as hereby tender and offer to enter into a Contract to do all the work, provide the labor and to provide, furnish, deliver, place and erect all materials mentioned and described or implied therein, including in every case freight, duty, exchange, and all other charges on the terms and conditions, and under the provisions therein set forth, and to accept in full payment therefore in accordance with the schedule of prices hereto annexed, and the Bidder also agrees that this offer is to remain open for acceptance until the formal Contract is executed by the successful Bidder for said work, and that the Owner may at any time without notice accept this Submission whether any other Submission has been previously accepted or not.
- e) The prices offered in this schedule take into account in all respects the cost of execution of the work under all weather conditions and any water level.
- f) In making this Submission for the work and in entering into the Contract, if awarded to this Bidder, the Bidder has investigated for himself the character of the work to be done and all local conditions that might affect this Submission and his acceptance of the work.
- g) The Bidder also declares that in making this Submission, he/she did not and does not rely upon verbal information furnished by the Owner or City representative.
- h) The Bidder acknowledges that the Owner shall have the right to reject any, or all, Tenders for any reason, or to accept any Tender which the Owner in its sole unfettered discretion deems most advantageous to itself.
- i) The Bidder does hereby acknowledge that no damages or liability flow from the inability for a contract to be reached and does hereby release and hold completely harmless the Owner for any costs or damages incurred by the Bidder in preparing a Proposal or discussing/negotiating with the Owner. By submitting a Tender, the Bidder acknowledges the Owner's rights under this section and absolutely waives any right, or cause of action against the Owner and its consultants, by reason of the Owner's failure to accept the Tender submitted by the Bidder, whether such right or cause of action arises in contract, negligence, or otherwise.

- j) The lowest, or any, Tender will not necessarily be accepted and the Owner shall have the unfettered right to:
 - (i) Accept a non-compliant Tender;
 - (ii) Accept a Tender which is not the lowest Tender; and
 - (iii) Reject a Tender that is the lowest Tender even if it is the only Tender received.

- k) The Owner reserves the right to consider, during the evaluation of Tenders;
 - (i) information provided in the Tender document itself;
 - (ii) information provided in response to enquiries of credit and industry references set out in the Tender;
 - (iii) information received in response to enquiries made by the Owner of third parties apart from those disclosed in the Tender in relation to the reputation, reliability, experience and capabilities of the Bidder;
 - (iv) the manner in which the Bidder provides services to others;
 - (v) the experience and qualification of the Bidder's senior management, and project management;
 - (vi) the compliance of the Bidder with the Owner's requirements and specifications; and
 - (vii) innovative approaches proposed by the Bidder in the Tender;
 - (viii) whether the Bidder has been involved in litigation with the Owner during the last sixty (60) months before the date of this RFT.

The Bidder acknowledges that the Owner may rely upon the criteria which the Owner deems relevant, even though such criteria may not have been disclosed to the Bidder
